CAMERON - MEXIA REGIONAL FRIDAY

FAREWELLS TO THE GRIDIRON

(From the Daily)

It will be Farewell to the Gridiron Friday night for 18 Yoemen lettermen. The Daily Herald chronicles today a story that is mixed with deep sentiment as well as jubilation. A lump in the throat and misty eyes are not ruled out either. Its going to be very hard to give them up, but they have been grand. No finer bunch of boys ever wore the Maroon and Grey. They have worked so hard. The fine coaching staff has worked hard. This newspaper has worked hard, in fact the whole community has marched every step of the way with them.

A Regional Game is the top rung of the ladder in Class A football this year. It is their big chance, it is theirs to win and to merit—a Regional Championship and what a triumph to crown four years of brilliant play and fine sportsmanship. Maybe we don't deserve such a fine team, such fine boys, but it is good to think we do. Win or lose it will be the same with us, boys. You have carried us aloft to victory. There have been no defeats this year. It is not so much whether you win or lose; but how you play the game, a famous one has said. It is that way and always will be that way. You deserve that Championship and we believe you are going to win it. So, as we say farewell to the Gridiron for 18 of you in this final game, we wish to commend you for the fine traditions you have upheld and for the fine fellows you are, every one of you. From day to day we will print a little sketch of you who are saying Farewell to the Gridiron.

Lawrence Michalka, the man under the T has played consistently good football in every game he has performed in. Ruled out of the Regional last year by an injury, he will not have that handicap this year. Much will depend on him and he will be in there from beginning to end to bring victory.

T. J. O'Neill, the little coach on the field, has thrilled Cameron fans in every game. Holding the high scoring record for 1946 he has come through this year in a brilliant fashion. A constant threat and one of the very finest backs we have ever had.

Billy Hauk whose driving force and never say die spirit has carried him to a birth on any mythical eleven, saw the 1946 Regional from an ambulance. He sustained a broken leg in the Bi-District game. He has been one of the most consistent ground gainers on the team. He will be equal to any job Friday night.

Richard Burke will always be remembered for his great play in the Belton and Rosebud games. He is the fiery little back to achieve the greatest improvement we have seen in any player. He has lived up to the best traditions of the Yoemen football spirit. We wish it were not farewell, Richard.

Charles Riola of whom it can be said no ball carrier has made headway through right tackle, has been the extra point man and while that point has not been necessary it is good to know he could always do it. Yes, Riola, is a great among the all time great Yoemen and the unanimous choice in our affections.

Joe Hawkins, the speedy, jovial, left end, is saying Farewell to the Gridiron too. He has played great ball for 4 years and has been on the receiving end of more passes than any boy in Yoe High history. Great on defense as well as offense, it is hard to think about losing him this year. The eyes and hearts of all of us are on you, Joe.

The 1947 Yoemen brought more favorable publicity to the city than any other group among us. They are going to the Regional final Friday night and the spotlight will be on (turn to page four)

500 Football Tickets Sold Early Wednesday; Only About 300 Left

Only about 300 tickets were left unsold at noon Wednesday for the Cameron and Mexia regional football game.

Superintendent W. T. Hanes telephoned the Daily Herald shortly before noon to say that 800 tickets had been placed on sale early to-day. The tickets will remain on sale each day.

Some 200 tickets were allotted to Temple. Mr. Hanes said that tickets will be available to all students in the county but teachers will have to make requisition in person as there will be no way to send these tickets out to the schools and place them on sale.

Tickets are being sold only at the booth of the Cameron theatre. Students may buy there until Friday. Student tickets at 30c.

John Matula Goes To Hospital; Will Not Be In Friday Game

John Matula, half back on the Yoemen team will not see service in the Regional game in Temple Friday night.

John suffered an attack of appendicitis Monday and was taken to St. Edwards Hospital where it was said he will be operated on.

John was a standout in the Gatesville game accounting for 70 yards on two tries.

Coach Leo Jackson was a bit gloomy Monday afternoon when he learned of his backfield ace's condition.

Local Guardsman Is At Cooking School

Pvt. Juan Balmarez of Cameron is enrolled in the 12 weeks cook's school at the Food Service School, Fort Sam Houston in San Antonio.

Pvt. Balmarez is an enlisted man in the local unit of the National Guard. The purpose of the course is to provide cooks who will insure well fed and healthy troops in order that the army may function efficiently.

Sgt. D. Whittington Now With Military Police Keesler Field

The publisher is glad to have a letter from Sgt. David A. Whittington, now located at Keesler Field, in Mississippi.

Since we last heard from him he has been promoted to Sergeant.

Here is an extract from his letter: "I want you to know that I enjoy the Herald very much. All the fellows in the squadron read it, and even though they are not from Texas, think it is a swell little paper. Since I wrote you last I have been promoted to Sergeant and am with the Military Police here at Keesler Field, Mississippi."

Eugene Phipps Popular On Austin College Campus; Polls Big Vote

Eugene Phipps of Cameron was runner-up in the annual student body election at Austin College for sophomore boy "favorite". The top honor went to Ralph McCord. Phipps is a sophomore and active in many Austin College affairs. He is a member of the Phi Sigma Alpha fraternity. He served in the navy during the war. He is the son of Mr. and Mrs. W. M. Phipps of Cameron.

Cameron Seaman Sees Venice On Current Voyage to Old World

Paul Brock, seaman, first class, son of Mrs. T. J. Brock of 1200 North Houston St., Cameron has visited Venice and Trieste, Italy, while serving aboard the destroyer USS Zellars, on his tour of Mediterranean Sea ports.

Crew members of the Zellars, a unit of Destroyer Squadron 2, spent a great deal of time in modern and spacious shops at Venice, the "city of canals and gondolas."

2 CONVICTS SOUGHT IN BANK ROBBERY

OFFICERS SEEKING TWO EX-CONVICTS FOR CRIME

Two former convicts from the state penitentiary were being sought by officers in Falls county to-day in connection with the recent robbery of the safety deposit vaults of the First National Bank in Rosebud.

The men have been formally charged in complaints filed by the District Attorneys office in Marlin.

Cameron officers have been notified of the developments in the case. Names of the men now wanted for the robbery are being withheld. Description of the men have been broadcast to all officers in the state.

Texas Rangers, on the job, since the robbery, were actively on duty in the case.

Sheriff Brady Pamplin of Falls county said that officers throughout the state have been alerted and given a description of the men.

County attorney Sam Dolabite said that charges were filed by his office based on information given by Sheriff Pamplin.

Locked boxes in the bank were robbed in November and the losses were at first estimated to be more than \$100,000. A later statement revealed that this figure was too high, according to bank officials.

An earlier attempt had been made in October to rob the Planters National Bank in Rosebud. In both cases the nightwatchman was tied up. In the first attempt the robbers were frightened away by a telephone operator.

CLARENCE A. ALLISON HEADS KNIGHTS PYTHIAS

Clarence A. Allison, long a leader in Milam Lodge No. 125, Knights of Pythias, has been elected Chancellor Commander for the coming year.

The local lodge is one of the largest in the entire organization in cities the size of Cameron. Here are the notes on the meeting held Monday night:

At the regular meeting of the Knights of Pythias Lodge which was held on Monday night, December 8, the following officers were elected: Clarence R. Allison, Chancellor Commander, John H. Davis, Vice Chancellor; Shirley W. McLean, Prelate; Tom Hobson, Master of Works; J. M. McLean, Secretary; Thomas Brashear, Master at Arms; Warren Brashear, Inner Guard; Nathan Wilson, Outer Guard; W. O. Triggs, Trustee; and J. M. McLean, Representative to Grand Lodge for 1948 and 1949.

CHRISTMAS SEASON IS LIKE OLD TIMES

Cameron shops are bright these early Holidays and Christmas just around the corner is to be like old times.

Cameron merchants have reached out this year and brought in great stores of merchandise and every store in town is making the most of their opportunities to make buying profitable and satisfactory.

At no time since the war has merchandise been so plentiful. It ranges from toys to household appliances and merchants are looking for a big volume this year.

As the old year draws to a close the city has rolled up a big growth. Substantial construction results in most every section of the city with homes leading by far.

Building permits will show the largest volume in the recent history of the city.

OFFICERS CHECK UP ON SERIES OF BURGLARIES

Officers in two counties were making every effort possible to get a line on thieves who committed a series of burglaries Wednesday night.

Sheriff Carl C. Black reported that the Walter Marek grocery in Burlington was robbed and possibly \$15 in money stolen. The thieves entered through a transom of the building. Mr. Marek, a war veteran, injured in the service, has a new store and has also recently been recommended for postmaster there.

In Rosebud the T&NO depot was entered and a cafe was also damaged but nothing was missing. The thieves were evidently looking for money. The McAttee Motor Company was also entered.

In Lott a hardware store was entered and in Marlin a Plymouth car was stolen from a parking lot.

11,694 BALE CROP IS GOVERNMENT ESTIMATE

WASHINGTON, Dec. 8—The Agriculture Department, in its final report of the year, today estimated this year's cotton crop at 11,694,000 bales of 500 pounds gross weight.

This is an increase of 189,000 bales from last month's estimate of 11,505,000 bales. The crop totaled 8,640,000 bales last year and (turn to page four)

CITY GETS NEW FIRE TRUCK THURSDAY

MAYOR MCCULLIN MAKES PRESENTATION THURS.

Cameron has another fire fighting unit to-day, presented to the Department on Thursday by Mayor A. W. McCullin and accepted by Fire Chief Halph Michalka at ceremonies following the Christmas party in the afternoon.

The new truck is a Ford and purchased from the United States government Army Surplus pool. The city paid \$1450 for the machine and the truck had been in Cameron for about 24 hours prior to the surprise presentation to the department.

Mayor McCullin said the truck, if purchased new and as fully equipped as the one received here the cost would be around \$9000.

Congressman W. R. Poage, in a telegram to the publisher of The

Herald on Monday, December 1 announced that the War Assets Administration would deliver the truck to the city of Cameron. This information was held in confidence by the newspaper at the request of Mayor McCullin so the truck might be a Christmas present to the Fire Department at the party Thursday.

Behind the presentation of the truck here is a long story of how Mayor McCullin and members of the Department searched for about 18 months to find this equipment. The truck is completely equipped and is a high speed machine. Runs can be made to the country now since the older trucks were too slow and not made for such service.

The American LaFrance trucks in the Department are the finest machines ever built as combat equipment at fires. They will run at high speed and under great power for (turn to page four)

YOEMEN ARE SLIGHT FAVORITES TO WIN

AGED PIONEER PASSES AWAY AT HOME HERE

Mrs. Mary V. Kahler, 90, a native of Vienna, Austria, and for many years a resident of Milam county, died at her home in Cameron at 6 p. m. Monday, December 8.

Mrs. Kahler was born in Vienna on November 1, 1857 and came to the United States when a young girl. She was married to the late Vincent Kahler who died 26 years ago. A son, E. J. Kahler of Buckholts, prominent business man, preceded her in death also last September. One daughter, Mrs. E. L. Brod, died several years ago.

Funeral services were held at 3:30 p. m. Tuesday, December 9 from the Marek-Burns Funeral Home in Cameron with interment in Oak Hill Cemetery. Rev. T. Miller Smith, pastor of First Methodist Church in Rockdale conducted the services.

Surviving are one son, E. L. Kahler of Cameron; three daughters, Mrs. William Maresh of Temple; Mrs. Frank C. Mondrik and Miss Matilda Kahler of Cameron. Two sisters survive as follows: Miss Josephine Kolba of Los Angeles, California and Mrs. Walter Shafer of Idaho.

Surviving grand children are: Dr. Glenn Kahler of Post, Texas; Gordon Kahler of Buckholts; Dr. Frank Mondrik, Marshall; A. J. Mondrik, Mrs. Lillian Lester and Mrs. Ethel Drgac of Cameron; Ernest L. Kahler, Jr., Ingleswood, California; Clayton Kahler, James Kahler, Charles Kahler, Marie Brod, Edwin Brod, V. J. Brod all of Cameron, Mrs. Tommie Payne and Ernest Maresh of Temple.

Eight great grand children survive.

BEGIN DENTAL CLINIC FOR SAVE THE CHILDREN

Through funds contributed by local organizations, the Cameron chapter of the Save the Children Federation have begun a much needed dental clinic among the children of the county.

Cash contributions have been received from the following organizations: Business and Professional Women Club, Three Arts Club, Lions Club, History Club, and Delphian Club. Fifteen dollars was contributed by organizations in Rockdale.

The local funds were matched in amount by funds from the area chapter in Bryan, the total amount being \$108. This amount made a good start in relieving painful conditions in some children who cannot afford dental care. Mrs. Edith Dukes, Milam County Health Nurse, has been checking the children in the schools; and when she finds a needy patient, she gives the child a slip of paper which may be taken to any dentist the parents prefer.

A clothing project is being started, but the chapter has not found an available building. Mrs. J. R. Hillman of Bryan is the area supervisor.

ENTERTAINS LIONS

Mrs. M. Amis, student in the speech department at the University of Texas, entertained the Lions Club on Tuesday at their regular luncheon hour. The following local women were guests of the club: Mrs. Dan Tyson, Mrs. Albert Collins, Rev. and Mrs. Lee Lemons and Mrs. Ben Reichert.

JOKESTERS CHANGE SIGNS

Evansville, Ind.—Traffic officers, horrified when motorists openly flouted 30-miles-an-hour speed zones by whizzing through them at an 80-mile-an-hour clip, investigated and found that pranksters, with a deft hand at printing, had neatly converted the 30-mile-an-hour signs into 80-miles-an-hour signs.

MEXIA BACKFIELD HAS 18 POUND ADVANTAGE

As Cameron and Mexia square off for the Regional game in Temple Friday night, a look at the team averages may be interesting to Cameron fans.

Weight advantages unless preponderant, seldom mean much but in the case of Cameron with all men experienced it is not to be laughed off.

Cameron will have a total team weight advantage of 131 pounds or an average of 12 pounds to the man. These figures are based on the probable lineups. Also it must be remembered that the weights are those published and may not represent the true facts since weights vary during the season.

The Mexia starting team will weigh in at 1723 pounds and the Cameron team will weigh in at 1854. This does not take into account Howard Beale in the starting position, but does include Garcia who weighs 160 while Beale weighs 195.

Coach Leo Jackson has not indicated his backfield starters as yet.

The Cameron line will weigh in at 1229 and the Mexia line will weigh in at 1115. This is quite an advantage for Cameron, 114 pounds to be exact, taking published figures. Cameron's line will average around 16 pounds to the man heavier.

The Mexia line boasts one guard 180 pounds and the other 173 pounds. Dyson, center weighs 141 pounds while Jimmy O'Neill of the Yoemen weighs 180. Cameron's tackles, Charles Riola, weighs 220 and Eugene Salach 175 pounds. The Mexia tackles weigh 158 and 162 pounds respectively. Mexia guards will outweigh Cameron guards. The Yoemen guards, Charles Duncan 165 and George Hollas 152. The Mexia guards 180 and 173.

The season record of the teams has been impressive. The Yoemen schedule has been a bit harder due to the Burbank, Brenham and Caldwell games. Both Mexia and Cameron defeated Killean by scores of 7 to 0. In the main the teams in the Mexia District are weak. They are much stronger this year in the Cameron district.

Here are the probable starting lineups:

CAMERON			
Name	No.	Wt.	
Joe Hawkins, LE	63	162	
Charles Riola, LT	79	220	
George Hollas, LG	52	152

Baby Daughter Born To Bill Morrisons At 11:30 a. m. To-day

Marcia Tinker Morrison, daughter of Mr. and Mrs. W. A. (Bill) Morrison was born at 11:30 a. m. to-day December 10, 1947 at St. Edwards Hospital.

The mother is the former Elizabeth Tinker. The baby is named for her grandmother, Mrs. W. A. Morrison of Cameron and also for her mother whose maiden name was Tinker.

The father is county attorney for Milam county, a veteran of the war in Europe. The mother is a native of Arkansas.

Yarrellton News

Mrs. Jim Mann has returned to her home after visiting with her sisters in San Antonio and Uvalde.

Mr. and Mrs. Sam Clark have moved to Temple and Mr. and Mrs. Starnes have purchased the Clark place and moved in last week. The Starnes are from Vogelsang.

THERE IS ONLY ONE GRAPETTE

The one, the only, the original, created by Grapette.

Lush, Ripe Flavor...
Soft Carbonation...
Delightful Aroma...
Quick-chill Bottle...
Full Six Ounces

Remember there's only one Grapette—Demand it. Say: "A Grapette, please!"

Mr. and Mrs. James Leath and children of Maysfield were Sunday visitors in the Bill Gibbs home.

Mrs. Maude Davis of Cameron spent Tuesday with Mr. and Mrs. W. C. Wilkerson.

Mr. and Mrs. Charlie Barrett of Corpus Christi and Mr. and Mrs. John Page of Poteet spent Thanksgiving with their parents, Mr. and Mrs. Ance Wilkerson.

Mr. and Mrs. Rodney Barker spent the holidays with Mr. and Mrs. Joe Music at Ringling, Oklahoma.

John Paget and Buster Griffin attended the A&M vs. Texas football game on Thursday.

Frank Griffin, Mrs. John Lott and Mrs. Ella Clark attended the funeral of their uncle, Tom Griffin in San Marcos Saturday.

Mr. and Mrs. Chas Russell and Mr. and Mrs. G. L. Gallatin and Patsy spent the week end in Abilene with Mr. and Mrs. R. M. Yancy.

Thanksgiving dinner guests in the home of Mr. and Mrs. Autis Franklin were; Mr. and Mrs. W. T. Laws of Granger, Mr. and Mrs. C. M. Franklin and son of Calvert, Mr. and Mrs. Roy Laws and daughter of Bartlett; Mr. and Mrs. Harris Little and boys of Rosebud, Mr. and Mrs. Ewell Crisp and family of Holland, Melvin Laskwood of Taylor and Billy Gaines of Holland.

Mr. and Mrs. Albert Arnold and son of Sharp and Mr. and Mrs. Roy Laws and baby visited Mr. and Mrs. A. E. Bryant, Sunday.

Mr. and Mrs. G. L. Gallatin and Patsy spent Thanksgiving with home folks.

Mrs. Addie Miller has returned home after a visit with her children in Corpus Christi.

Mary Frances Susek, small daughter of Mr. and Mrs. Frank Susek is ill and a patient in the Newton Memorial Hospital.

Mrs. Raymond Abbott spent Thanksgiving in Hearne.

Baptist In "Clothes For Europe" Drive; Aiding Europe Needy

First Baptist Church in Cameron launched their "Clothes For Europe" program, beginning November 24 through 29. The local church joined with a southwide movement among southern Baptist Churches to relieve the suffering masses.

The clothing was sent to the Southern Baptist relief center at New Orleans, La., from where shipments was forwarded to overseas areas. Needy Baptist families in Europe and Asia will receive the materials as distributed by the local Baptist pastors, and Missionaries who are serving in those areas.

Rev. Morris, pastor of the local church stated that Chaplain R. B. Mayfield, son of Mr. and Mrs. J. C. Mayfield of this city has been designated by the Southern Baptist Convention to personally distribute the relief supplies in his area. Chaplain Mayfield is now stationed at Vienna. He was licensed to preach by the First Baptist church at Cameron clean and in good repair would eron.

Rev. Morris asked that the membership bring their clothing to the Educational building. Anything which be welcome over there. Cotton and woolen clothing for men, women, children and babies; shoes with medium or low heels, bedding of every type and household linens are essential items.

Those of other faiths who cared to share in this worthy cause were invited to bring their old clothing to the Educational building at First Baptist Church hat week.

John Senkel is ill and a patient in the Newton Memorial Hospital. He is doing nicely.

Friends of Mary Sue Walston will be glad to know that she is improving as a patient in the Newton Memorial Hospital.

3000 CHILDREN GET GIFTS HERE THURSDAY

Cameron's annual Christmas party was an enjoyable occasion as 3000 children received gifts provided by Cameron business men through their Chamber of Commerce.

The court house square and adjoining streets were packed with people, principally children who wanted a look at Santa Claus and with hopes high for the coming of Christmas.

Santa Claus was the principal figure in the large crowd as he performed well in his colorful role, spending some time shaking hands with eager youngsters and not a few times carrying a baby in his arms. Gifts were distributed from long tables arranged on the lawn.

The Yoe High School Band under Francis Cox gave the music. From a microphone Mayor McCullin delivered the welcome address and Rev. Lee Lemons, pastor of the Methodist church, gave the prayer.

The added attraction was the presentation of a new fire truck to the Volunteer Fire Department and Ralph Michalka, Fire Chief, responded with a word of thanks from the members.

Camp-Baskin Show Window Is Colorful

One of the most attractive show windows in down town Cameron is the Christmas decorations in the Camp-Baskin, insurance building. Mrs. Camp is responsible for the fine display, although Emory claims he helped too. Emory Jr., James and Kay all had a hand in it.

One window has a Christmas tree the other a home and snow scene with spacious snow areas. There's a new born babe in a manger and a black mammy stands guard. Kay is out front in the snow. These displays remind us all that Christmas is just around the corner.

John Franklin Buried In Rockdale; Was A Milam County Pioneer

ROCKDALE, Dec. 4.—Funeral services for John H. Franklin, 76, who died Tuesday at his home here, were held Wednesday from Phillips and Luckey chapel with Rev. P. T. Ramsey of Bryan, a former Methodist pastor here, officiating. Burial was made in Oak Lawn cemetery.

Mr. Franklin was the father of postmaster Clyde Franklin of this city. He was a citizen of Rockdale and had been a farmer and business men of Milam county through many years. In early 1900, he served as

justice of peace in Thorndale, and was a long time member of the Woodmen of World, being a charter member of the camp at Thorndale.

Mr. Franklin retired from business in Rockdale several years ago due to ill health. There survives his wife Mrs. Daisy Keen Franklin, and the following children; Mrs. D. D. Horton of San Jacinto, Texas, Mrs. L. E. Gary, Clyde Franklin of Rockdale, Claude Franklin of Highlands, Keen Franklin of Calvert; also three sisters, a brother, 15 grandchildren and five great-grandchildren.

Mrs. Juanita Thomas of Gause transacted business at the court house, Monday.

BAKE RIGHT... Every Time

Make rolls like these with

AMERICAN BEAUTY Flour

"Use my tried and true recipe for American Beauty Cloverleaf Rolls. It's easy!"

Virginia Roberts, AMERICAN BEAUTY HOME BAKING INSTITUTE

Every cupful of AMERICAN BEAUTY Flour has exceptional baking qualities that are just waiting to bloom in your oven! Your Cloverleaf Rolls will be masterpieces—golden-topped, full of rich and delicious flavor.

Best of all, with AMERICAN BEAUTY you can count on results like this not just occasionally, but every time... not just with rolls, but with all your baking.

CLOVERLEAF ROLLS

- 6 1/2 cups American Beauty Flour
- 1/2 cup sugar
- 1 tablespoon salt
- 1/2 cup shortening
- 2 cups milk
- 2 tablespoons lukewarm water
- 2 cakes compressed yeast

(This recipe will make 36 rolls.)

Scald milk; pour over sugar, salt and shortening in mixing bowl. Stir well; allow to cool until lukewarm. Crumble yeast in lukewarm water; allow to stand 10 minutes. Add yeast to lukewarm milk. Add 3 1/2 cups sifted flour. Beat until batter is smooth. Gradually add remaining 3 cups flour; stir until all flour is added. Brush top lightly with melted shortening. Cover and set in a warm place. Allow dough to rise until double in bulk (about 1 hour). Place dough on lightly floured bread board and shape into a rectangle 1 1/2 inch thick. (Balance of dough can be used for additional Cloverleaf Rolls or other favorite variations.) Cut with floured biscuit cutter. Divide each round into 3 parts; shape each into a small round ball, and brush lightly with melted shortening. Place 3 balls into each muffin cup. Cover; allow to rise until double in bulk. Bake 15 to 18 minutes in a moderate oven (375°).

CHILDREN GATHER FOR VISIT OF SANTA CLAUS

(From the Daily)

Despite the rain and cloudy weather hundreds of children were flocking to the business district of the city early Thursday for the visit of Santa Claus and the distribution of free gifts.

Mayor A. W. McCullin was on the scene early to-day to make last minute arrangements for the city's share in the festivities.

W. L. Smith, manager of the Chamber of Commerce had Santa hidden away until it was time to put him aboard the fire truck for the triumphal procession down Main Street to the court house lawn where he was to give away candy and fruit to the kiddies.

B&B Studio was making photographs of the proceedings from a vantage point across the street. A special choir of voices would sing Christmas carols from a truck supplied by C. W. Hudson.

Billie Clyde Schigut, 13, Kills 10 point Deer With Jap Rifle

Billie Clyde Schigut, 13, son of Red Schigut, bagged a 10 point buck deer with a Japanese rifle on Sunday, November 30.

Billie Clyde is the mascot of the Cameron Fire Department and his father is a member of the department. He wanted to go along on the deer hunt so his father took him and with the results as noted above.

The rifle, one of the captured rifles from the Japanese army, was fetched along and Billie Clyde got a bead on the big buck and brought him down. It is a 31 Jap rifle. So far as known here Billie Clyde is the youngest huntsman to bag a buck.

Fred Schwarz of Thorndale was here on business recently.

E. C. Hoppe of Thorndale was a Cameson visitor Friday.

W. B. Sessom of Sealy tarnsacted business at the court house Friday.

Willing Water says:

"Material Shortages Are Slowing Me Down..."

... so please give me plenty of advance notice if a new water line must be built to serve you"

If you're building a new home or moving to a home requiring a new water service line, please give me 10 days to two weeks advance notice so that I can be there and ready to serve you when you move in.

Pipe and other materials for building service lines are still scarce and service crews are extra busy with construction work these days, so there may be some delay in connecting you if you do not make application well in advance

Your cooperation will help me to be "Johnny-on-the-spot" when you need me. Thank you'

indefinite hours.

It was said by members of the Department Thursday that the three trucks now in the department are equal to the capacity of the water system.

The new unit is complete with hose, 4 fire extinguishers, 150 gallon water tank for ready use at fires when the truck arrives, has 500 gallons per minute pumping capacity with outlets on both sides of the truck, hose reel and complete sets of nozzles, with other gadgets that make it the most completely equipped of any unit in this section.

Fire Chief Ralph Michalka was very happy to acknowledge the new unit presented by Mayor McCullin from the citizens of Cameron. Mr. Michalka has been fire chief since the resignation of the late Monta Thomas.

The new truck was received at the McGregor ordinance plant Wednesday by John A. Smith, member of the Department and Chief Michalka and Sheriff Carl Black, member of the department, and driven to Cameron.

Prominent among the Fire Department members at the ceremonies Thursday afternoon were John P. Eanes, Fire Marshall; John C. Andres, Secretary of the Department; Frank Richter, veteran driver in the Department who has answered alarms for 23 years without an accident and what is more, never a scratch on the machines.

So far as available records show Cameron now has the lowest fire insurance rate in the history of the town.

FAREWELLS—

(continued from page one)

them. Fans may be a little excited but the Yoemen are regarding the match as grim piece of business. Deep down no doubt they are sentimentally aroused, who wouldn't be? Its the real and only championship a team may win in Class A this year. Next year they will have a state championship for Class A.

It is farewell to the gridiron for 18 of the Yoemen. It would be a sad commentary on a brilliant season if they failed to win the Regional Friday night. But that is not nearly so important as the example they have set for good sportsmanship and deep loyalty to their school, their community and to the great game they represent. They can win and we believe they are going to win. Of course this is going to be a hard game, nothing like anything they have played, but they have the stuff to win it. So it is farewell to the Gridiron for:

George Hollas, perhaps the best 152 pound guard the team ever had. Always giving away weight to opponents. He has been one of the rocks in that line. His play has been an inspiration to his team mates. He has earned a high place in Yoemen history. It is hard to say farewell to him, but we look for a more extended career on the college gridiron for George.

Billy Hanes has played under more difficulties than any other backfield man in the history of the team. Bill sustained a broken collar bone early in the 1945 season and again suffered the same injury last year but despite all that came through to make a great back. A senior letterman he carries the well wishes of thousands into the Regional game Friday night. So its farewell to the Gridiron for Billy too.

Denson Provasek than whom there has been no finer lineman has been a standout on offense and defense at Guard position, a great boy who is saying farewell to the Gridiron Friday night. The Coaching staff deeply regret he is a senior and playing out his eligibility this year. Here's a salute to Denson and its downright hard to say goodbye.

Berry Caldwell a two letterman and a tackle is among the 18 who will not be back in uniform next year. not be back in uniform next year, notably in the Gatesville game. He staved off a touchdown. His play has been fine. The best wishes of all Cameron goes with him as he says farewell to the Gridiron Friday night from the Regional game.

Charles Duncan, credited with more line plays than any man on the team, has been one of the very best linemen who ever played for Yoe High. Charles is a 3 letter senior and when the Regional is over Friday night he will hang up his Jersey, old No. 60 and it will be farewell to the gridiron. He is one of the brightest college prospects on the team. His play has made the Cameron line stand out at guard position. Such men cannot readily be replaced in the line.

Mrs. Walter Harris, Mr. and Mrs. Vernie Miller and Verna Harris visited in Sharpe Sunday with Mr. and Mrs. George Gamble.

COTTON—

(continued from page one)

averaged 12,390,000 bales for the 1936-45 period.

The indicated yield of lint cotton per acre was put at 265.4 pounds compared with 235.3 last year and 250.6 for the 10-year average.

NEW ORLEANS, Dec. 8—Cotton futures broke \$2.50 to \$2.80 a bale today on the New Orleans Cotton Exchange after issuance of a surprisingly large Government estimate on the cotton crop.

The Government estimate of 11,694,000 bales was 306,014 bales larger than the average crop estimate of 63 members of the local exchange, and between 241,000 to 390,000 bales greater than other private forecast.

When trading was resumed after issuance of the Government estimate, December futures fell 56 points from their previous level. March dropped 53 points, May 55 and July 50 points. Cotton futures in New York de-

clined sharply today following the surprise increase in the Department of Agriculture's forecast of the 1947 cotton crop.

Noon prices in New York were 70 cents a bale lower to 15 cents higher than the previous close. Dec. 35.68, March 35.63, and May 35.21.

Velma Morris is now associated with the Lalla Meyer Beauty Shop, completing a well trained staff of beauticians. She is a graduate of Texas School of Cosmetology in Austin and is well trained in any phase of beauty work, and is the daughter of Mr. and Mrs. C. B. Hughes of Cameron.

Officials For Game In Temple Are Named

Officials for the regional football game in Temple Friday night between Cameron and Mexia have been named as follows:

Carl Bredt, head linesman; C. J. Alderson, field judge; Jimmy Higgins, umpire and John Morrow, referee.

Three of the above officials worked the Cameron-Gatesville game here and Higgins was an official in the Texas-A&M game in College station. Mr. Morrow was in El Paso Saturday to work the Odessa-El Paso game.

Smart design of new automatic gas range will save you time and effort in keeping it just as beautiful as the day it was new.

White, stain-resistant porcelain exterior cleans quickly with simple soap and water care. New improved burners won't clog from spill-overs. Their rust-resistant finish wipes clean as easily as the top of range.

If you should spill something in the oven its smooth-as-glass

porcelain finish will again save you cleaning time and effort. Spill-overs are not likely though. Special stops for racks and drawers, which slide easily and quietly, prevent spilling.

Add these conveniences to the clean blue flame of natural gas. You'll like your new gas range most because it's so easy to clean!

...look for this seal. It's your guide to the finest in modern gas ranges. It's found on twenty-two different nationally advertised automatic gas ranges.

THE STATE OF TEXAS

To the Sheriff or any Constable of Milam County, Greeting:

Effie Gresham, Administratrix of the Estate of Daisy Wilson, deceased having filed in our County Court his Final Account of the condition of the Estate of said Daisy Wilson, Deceased, numbered 3726 on the Probate Docket of Milam County, together with an application to be discharged from said Administration.

YOU ARE HEREBY COMMANDED, That by publication of this writ one time and that publication shall be not less than ten days before the return day hereof, in a Newspaper printed in the County of Milam you give due notice to all persons in the Account for Final Settlement of said Estate, to appear and contest the same if they see proper so to do, on Monday the 22nd day of December A. D. 1947, at the Court House of said County, in Cameron, Texas, when said Account and Application will be acted upon by said Court.

GIVEN UNDER MY HAND and seal of said Court, at my office in the city of Cameron, Texas this 22nd day of Nov. A. D. 1947.

HOMER NABOURS,
Clerk, County Court Milam County.
By Bessie Dunham, Deputy

NOTICE

Notice is hereby given that at 10 o'clock A. M. on 15 December 1947 at the Court House in Cameron the Commissioners Court of Milam County will enter into a contract to purchase One (1) Tandem drive, leaning wheel, diesel powered motor grader and bids will be received for such purpose, but the right is reserved to reject any and all bids.

It is proposed to pay for such motor grader by issuing more than \$10,000.00 in time warrants against the Road and Bridge Fund of Milam County, Texas, bearing interest at the rate of not more than 4 per cent and maturing not later than 1954.

FOOTBALL FANS GIVE THANKS FOR THE SUN

Some of the coldest weather ever recorded this early in the winter season has occurred in northern sections of the United States.

Here in Central Texas a brisk norther came up during Tuesday night and sent the clouds spiraling south and the sun broke out early Wednesday.

It is going to be cloudy and colder but maybe there will be no rain. Our guess is that we will be spared. However, it is going to be warmer Thursday but indications were the norther might last through Friday. If so it will be good weather for the regional game.

Snow was falling over sections of the Texas and Oklahoma Panhandle.

Long Line Forms As Football Tickets Placed On Sale Here

A line more than a half block long formed early Tuesday morning at the Cameron Theatre as tickets went on sale for the bi-district football game between Cameron and Fredericksburg here Friday night.

Stanley Swift was in the booth in the lobby of the theatre and it looked like a morning long job to wait on the fans who are buying their tickets.

Tickets will be sold all day and will continue for each day until all have had a chance to buy.

An error was made in diagram of the stands and some 400 seats thought available had to be canceled with tickets. Only about 2000 seats were available and that will not be enough.

Mrs. Clara Brashear is visiting her daughter and husband, Mr. and Mrs. L. E. Tomkin and daughter, Jeanne, in Bastrop, Louisiana.

Mr. and Mrs. E. E. Geer had as their guest recently Mrs. M. Fitzgerald of Ft. Worth and their daughter and husband, Mr. and Mrs. Ben Bailey of Bryan.

MANY MOURN DEATH OF J. A. BRYANT, PIONEER

Relatives and friends were saddened early last Thursday morning when news came that J. A. Bryant had passed away at his home in Security, Texas, and would be brought to Marek-Burns Funeral Home in Cameron, where the remains would rest until Friday, November 14 with interment in the Sandy Creek Cemetery at 3 o'clock, it being his last request.

Mr. Bryant was 81 years old October 27, 1947. At the age of 24 he came to Texas and two years later was married to Cordellea Yoakum, daughter of George Yoakum of Rockdale. To this union six boys and three girls were born, who with their mother all survive.

He had lived in communities near Rockdale and Cameron all of his life after moving to Texas. Before he came to Texas he lived in Mississippi. Mr. Bryant did extensive farming near Cameron for many years.

He had many friends in Milam county and was known for his integrity and kindness. He was ever ready to lend a helping hand. Mr. Bryant was a member of the Baptist church and was active in the affairs of the church until his health began to fail him several years ago.

Survivors are his wife, Mrs. J. A. Bryant and daughter Eula and son of Security, Walter and Will Bryant of West Texas, Mrs. Wilson Morgan of Winters, Texas, Mrs. Jean Mosley of Houston, Jennings Bryant of Security, Jean Bryant of Freeport, Bailey Bryant of West Texas, and 29 grandchildren and 14 great grandchildren.

In loving memory of J. A. Bryant, to his family, written by Mrs. George Yoakum, Sr.:

Weep not for me, dearest loved ones
As you part from me this day.
For I am, now, peacefully sleeping
And released from all pain.
We are not forever parting,
Soon we all, shall meet again.

So may God bless and comfort you,
As you go along your way,
Until we once again shall meet
At the Resurrection Day.

A baby daughter was born to Mr. and Mrs. Raymond Erol Holloway of 407 West 26th St. in Houston, November 12, 1947, at St. Joseph Hospital. The daughter weighed seven pounds and seven ounces at birth and was named Cheryl Janet. The Holloways have one other daughter, age 7. Both mother and daughter are doing nicely. The mother is the former Frances Hughes. Mr. Holloway is employed with Zachary Construction Co.

CHRISTIAN SCIENCE SERVICES

"God the Preserver of Man" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, December 14.

The Golden Text is: "He that dwelleth in the secret place of the most High shall abide under the shadow of the Almighty" (Psalm 91:1).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "The eternal God is thy refuge, and underneath are the everlasting arms" (Deuteronomy 33:27).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "The divine Mind that made man maintains His own image and likeness" (page 151).

Christmas Cards For Out of State Should Be In Mails To-Day

All Christmas cards for out-of-state delivery, and all Christmas packages, should be in the mail today in order to ensure their arrival before Christmas.

"The heavy flood of gift packages and Christmas cards in post offices all over the United States makes early mailing essential," Postmaster John R. Hays explained. Christmas cards for local delivery should be mailed before December 15, he said.

"Envelopes and packages may be marked 'Do Not Open Until Christmas' if desired," the Postmaster advised. "Such notes are permitted both on parcel post and on regular mail, including Christmas cards sent third-class with a 1½ cent stamp."

The Postmaster warned that envelopes of third-class mail may not be sealed, either by licking the flap

or by closing with Christmas seals, although Christmas seals may be affixed to the back of the envelope.

Mrs. David Shapiro Host to Auxiliary VFW; Gifts Wrapped

The VFW meeting was held at the home of Mrs. David Shapiro this week and plans were made to send gifts to McClosky Hospital.

The gifts were wrapped and will be delivered to the hospital by Mrs. David Shapiro on December 9.

Following the meeting Mrs. Shapiro served refreshments of pie and coffee.

Mrs. A. C. Schandies and Mrs. Joe Green from Rosebud were guest in the home of Mr. and Mrs. Leland Green Sr.

Mrs. Jim Pate and Mrs. G. W. Manley of Minerva shopped in Cameron Tuesday.

WIN WILL MAKE THEM REGIONAL GAME TEAM

(From the Daily)

The eyes of Central Texas are on the Yoemen.

Cameron had every justifiable reason to be proud of the team because of its fine record in 1947 play. The Yoemen are undefeated and untied as they ease up on work for the Bi-District game here Friday night with Fredericksburg. A win will make them contenders in the Regional game to be played Friday night, December 12.

Mexia and McGregor play Friday night, December 5 in McGregor and Cameron will meet the winner.

The team spirit is high out at Yoemen field. One can feel the enthusiasm and determination and the boys are riding high in an air of complete confidence but are taking no chances. They realize that they have a hard game Friday and they will be ready.

A last minute check up by The Herald discloses that the boys are all in fine shape and ready to go with the exception of three. They are Denson Provasek, outstanding lineman and great defensive tackle;

John David Moseley, seat back, both hurt in the Gatesville game. Provasek sustained a badly injured knee and Moseley leg injuries. Bob Wilkerson, right end, was hurt Monday in practice but will be able to play and if not Olin Armstrong will be ready in case substitutions are made with Bob Holloway the starting right end. Joe Hawkins was fit at left end.

Howard Beale, taken out of the Gatesville game with an injured ankle was walking normally and wants to play. He may be ready, all depending on whether Coach Leo Jackson feels his crack 195 pound full-back is needed or whether he should be harbored for the Regional game. Richard Burke who is the most improved back on the team may get the fullback slot and there is Jimmy Hawk in splendid shape. T. J. O'Neill who has picked up a lot of drive for his flying heels will be in there at half back and Lawrence Michalka the man under the T is ready as well. John Matula who looked good in a 13-yard scoring play against Gatesville, is also ready. John has been erroneously pictured as a senior, fans will be glad to know he is a junior and will be coming up in 1948.

Line Coach Dick Young wasn't worried a bit over substitutes at defensive tackles. He has Robert Zetz

and Bruno Eixman, both 200 pound tackles and just spoiling for a chance. They are coming up in 1948 also.

Starting tackles, Charles Riola and Gene Salach, both all district men are ready; Charles Duncan who holds the highest percentage of play action of any lineman and followed closely by George Hollas, both guards, are ready to go.

News that is both excellent and welcome is that Jimmy O'Neill all district Center who was out of the Gatesville game, will be in there Friday night at his regular post in the pivot spot. His understudy Gordon Gibson played himself a whale of a ball game against Gatesville and is available. Jimmy O'Neill has quite recovered from his illness and his play will make the line stronger.

It would be difficult to overestimate the feeling of appreciation fans have for the Yoemen on the eve of the bi-district game. Likewise it would be difficult to overestimate the seriousness of the boys or to underestimate them. Everything was perfect except the weather and it showed signs of swinging into line.

PAT. NEFF QUILTS AS BAYLOR PRESIDENT

HOUSTON, Nov. 28.—Baylor university's board of trustees today accepted the resignation of President Pat M. Neff and named Dr. W. T. Gooch, chairman of the graduate council of the Waco school, as interim president, effective January 1.

The action was taken after the former Texas governor appeared before the trustees for a brief seven minutes during a three-hour special executive session called to consider the resignation submitted November 8.

Neff, who entered the meeting room by describing himself as "the defendant," later told reporters he had restated to the board his resignation.

"I told them that I would be leaving the university without anything but a feeling of gratification within my heart but that I was not an applicant for anything at the hands of the board in connection with Baylor university."

Under action taken by the board, Neff becomes president emeritus January 1.

CHRISTIAN SCIENCE SERVICES

"God the Only Cause and Creator" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, December 7.

The Golden Text is: "Every house is builded by some man; but he that built all things is God" (Hebrews 3:4).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "The heavens declare the glory of God; and the firmament sheweth his handywork" (Psalms 19:1).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "All substance, intelligence, wisdom, being, immortality, cause, and effect belong to God" (page 275).

Mr. and Mrs. E. S. Miller and daughter Virginia Faye of Rogers spent Sunday with their daughter, Mrs. John Matyastik and family.

Earl Bailey of Freeport visited relatives and friends in Cameron last week. Mr. Bailey is employed with the Freeport Facts as linotype operator.

LET'S MAKE THIS

AN *Electric* CHRISTMAS

Let the wonderful magic of low-cost electricity contribute to the joy of living and well-being of your family. A post-war electric range... a new refrigerator, perhaps with a special frozen food compartment... an efficient new vacuum cleaner... electric iron with convenient heat indicator... an electric roaster... a new sight-saving floor lamp... decorative and efficient twin lamps for mother's or sister's dressing table... a gleaming new toaster that pops up the bread when done just right... an electric razor for dad or brother.

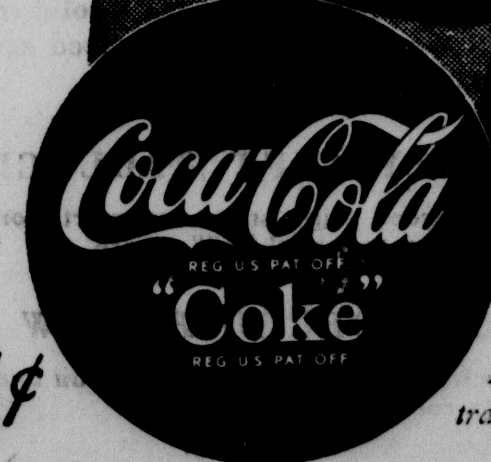

There are many convenient, time-and-labor saving electrical appliances... and with electric service cost lower than ever in history... you and yours should enjoy a wonderful electrical Christmas.

★ Your Electrical appliance dealer has some inspiring gift ideas!

CAMERON 33; FREDERICKSBURG 6

YOEMEN SHOW POWER IN BI-DISTRICT WIN

In a dazzling display of power and speed the Yoemen became Bi-District Champions last night, defeating Fredericksburg 33 to 6.

Not only did the Leo Jackson machine function faultlessly on offensive plays, they came through in the pinches to turn back three goal line threats.

Behind Boy Tanner the Hillbillies put on an aerial display with a super-de-luxe lateral game that had everybody on edge and were on the Cameron 2 yard line when the game ended.

The lone Hillbilly touchdown followed closely on the heels of the Cameron score. It was a 72 yard march. Louis Dietrich took a lateral from Tanner and raced to the Cameron 5 where he was jarred loose from the ball by a bruising tackle by George Hollas, the Cameron left guard. The ball spurted over the goal and R. L. Frantzen, the Hillbilly left end, fell on it for a touchdown. Extra try failed.

The Yoemen roared out of their east goal position in the opening minutes of play to score. Muggo Garcia, starting at fullback was the work horse of this 80 yard drive. Joe Hawkins lost a heart breaking chance when he lost a perfect pass in the first play of the ball game. Garcia went through the middle for the score a few moments later.

Lawrence Michalka, outstanding back of the night, scored twice. Howard Beale, 195 pound fullback, stormed out early in the second quarter to go over in his usual form. Beale was limping some and Coach Jackson was taking no chances. He got a thunderous roar out of the north stands as he came off after scoring to send the Yoemen out front 13 to 0.

Jimmy O'Neill, all district center, intercepted a Hillbilly pass and ran 70 yards for another score. It was Jimmy's first and he got a great ovation.

On the statistical side the Yoemen were much better than the score indicates. They made 18 first downs and Fredericksburg made 9. The Yoemen made 385 yards rushing, Fredericksburg 145. On pass offense the Hillbillies made 142 yards and Cameron made none. Cameron drew 25 yards in penalties and Fredericksburg 10. Cameron tried only two passes completing none. Fredericksburg went into the air fifteen times and completing 8 for a good average.

By reasons of their victory the Yoemen play Mexia for the regional title December 12.

First Quarter

Co-Captains Jimmy O'Neill and T. J. O'Neill for the Yoemen met Co-Captains Belton Klinksieck and Robert Probst for the Hillbillies in the center of the field for the toss and Cameron won, electing to receive, defending the east goal. The stadium was packed as the teams lined up for the kickoff. Ervin Jenschke kicked to Michalka who lateraled to Jimmy Hauk for a 15 yard run back. On the first play from the line Michalka dropped back and shot a long pass to Joe Hawkins the Cameron left end who was down on the corridor and far away from any of the safety men for the Hillbillies. Joe let the ball slip through his hands. It would have been a touchdown. Cameron then scored a quick touchdown. T. J. O'Neill, half back, picked up 25 yards in three tries. Michalka was badly rushed and his arm hit, the ball deflected and a pass was no good. Hauk got 8 and a first down. Muggo Garcia, starting at fullback, playing a sensational game, raced through for 20 yards and the ball was on the Hillbilly 16. Fredericksburg called time out. O'Neill picked up 4 and Garcia on the next play raced beautifully for a touchdown. Riola missed and it was 6 to 0. The Hillbillies stormed back, scoring a touchdown with a recovered fumble across the Cameron goal line. It was an 80 yard march. Riola kicked to Dietrich who returned to his own 30. Cameron drew an offside penalty. Boy Tanner who sparked the visitors picked up 4 and Kermit Grona, left half, made it a first down. Tanner shot a long pass to Dietrich for 33 yards and a first down on the Cameron 27. Tanner tried hard and got 3 yards. On the next play he lateraled off to Dietrich who got away through the Cameron line and raced to the Cameron 5 where he fumbled and the ball squirted across the Cameron goal and recovered by R. L. Frantzen, the Hillbilly left end for a touchdown. Extra point try failed and the ball game was tied up 6 all. Frantzen kicked to Joe Hawkins and on the first play from the line Garcia made 10 and a first down. Cameron drew a penalty for offside and Garcia fumbled and Fredericksburg recovered. Dietrich snapping up the ball, Tanner lost a yard and Dietrich

picked up 5 and Dittmar got 2. Alton Oehler kicked out on the Cameron 30. Richard Burke who came in for Garcia raced for 12 yards and on the next play fumbled and Fredericksburg recovered. Tanner's pass was knocked down. Zoltz came in at tackle for Cameron. Grona for the Hillbillies failed to gain. Dietrich lateraled forward and drew a 5 yard penalty, but O'Neill recovered the tricky ball but the play was no good. Tanner couldn't handle a bad pass back from center and Jimmy O'Neill brushed through to nail him far behind the line. Cameron got the ball for it was fourth down. O'Neill picked up 6 as the quarter ended. A long, wild, colorful quarter.

Second Quarter

The Yoemen started rolling. It was second down and 4 to go. Burke crashed through for the necessary yardage and a first down. Garcia raced for 9. O'Neill was thrown for a 4 yard loss on an end try. Howard Beale, limping slightly, roared into the game. He was in great form. He sliced the Hillbilly tackle for 10 yards and a first down and the ball was on the Hillbilly 21. It was an easy matter for the big boy to score. T. J. O'Neill racked up 10 and a first down on the Hillbilly 2 and Beale carried it over. Riola sent it squarely through the uprights and the score was 13 to 6, Cameron. Riola kicked off and the ball was on the Hillbilly 27. Jimmy Hauk who got a broken leg in the Fredericksburg game last year, was getting revenge in a big way. He was down to spill the fast Dittmar for a 3 yard loss. Tanner, the razzle dazzle boy, pulled a spectacular tripple pass play but it was no good in the end, being completed twice in the transaction but not good for enough yardage and Alton Oehler had to kick. Fredericksburg was offside and drew a pen-

alty and had to kick off again and the ball was on the Cameron 40. Garcia got 7 yards and Hauk raced for 12. A neat bit of ball handling by Lawrence Michalka resulted in a score. Garcia got 2 and Michalka 11. Hauk took a hand off and got 15. Beale came in but it was a decoy. Beale however did get 9 in two plays and the ball was then carried to the one for a first down. Michalka split center for the score. Riola sent it straight through and it was 20 to 6, Cameron. Zoltz and Burke came in. Riola kicked to Tanner who tried 2 passes that were broken up. It was 3rd down and 10. Tanner lost 10 yards as Gene Salach, Charles Duncan and Jimmy O'Neill drove through to converge on him from 3 angles. Here came a demonstration of fine line play. Tanner lost 10 more and then he lost 15 more, trying to pass. He was in bad shape but managed to punt out to the Cameron 43 as the half ended.

Third Quarter

Riola kicked off to Tanner and there was a short run back of 14 yards. It was a wild game and hard to score. The Hillbillies were throwing the ball all over the field and their laterals were things of beauty. Tanner pieced together a lateral for 18 yards and a first down. Hauk, boring in on those hill country boys, broke up the next one, then Tanner was able to toss about for 14 more. Now came the thrill play of the game. Jimmy O'Neill, the Cameron center, grabbed off a pass from Tanner and raced 70 yards for a touchdown. It was a superb bit of broken field running and down with him were Gene Salach and Jimmy Hauk who took out two red shirted Hillbillies 8 yards from the goal. Riola just couldn't afford to miss this one so he didn't and it was Cameron 27,

Fredericksburg 6. Riola kicked off and the ball was on the Hillbilly 20. Tanner lost 6 yards and a Statue of Liberty play gained 4 yards. Michalka intercepted a pass from Tanner and raced it back deep in Fredericksburg territory. Olin Armstrong at right end went out and Holloway came back in. Joe Hawkins who had his troubles dropped a goal line pass from Michalka. The Cameron left end was a power on defense. On the pass he was jolted loose from the ball when it seemed he had tucked it away. O'Neill picked up 13 and a first down and Michalka after a prodigious end play made 2. On the next play Cameron fumbled but recovered for a gain and the ball was on the Hillbilly 19. Salach playing heads up football recovered the ball. Burke almost got a touchdown. On the next play O'Neill lost 4 and the ball was on the 10. It was second down. Beale came in but that was a neat deception. Michalka raced for a touchdown cutting through the Hillbilly right tackle and around end for the score. The try was wide and it was 33 to 6 Cameron. John Matula came in and so did Eixmann. Riola kicked to Dittmar who took it outside the sideline and the ball was brought back, Melvin Bonn, substitute center, ran the ball back to the Cameron 43. Rubin Bernhard took a pass from Tanner for 5 and then one for 20. The next pass was no good. It was 4th down. Dietrich kicked to the Cameron 27 as the quarter ended.

Fourth Quarter

Dick Stedman, subbed in at quarterback, John Matula, half back, Bruno Eixman, tackle, and Muggo Garcia, raced into the game as the final period opened. Garcia got 3 yards and on the next play Matula raced through the entire Hillbilly team for 50 yards a criss-cross sprint

THE CAMERON HERALD

DECEMBER 11, 1947

up the field and was finally cut down by the safety man. Part of this run was nullified by a clipping penalty and the ball was brought back to midfield but it was a first down. Garcia recovered a Cameron fumble and Michalka promptly picked up 15 yards. Line plays failed and Joe Hawkins subbed in to punt. Tanner got busy with those laterals again and 35 yards were negotiated with Dietrich. The ball was on the Cameron 32. A pass interference was allowed and Fredericksburg got a first down. A lateral lost 3 and then a pass was completed for a first down on the Cameron 7. Berry Caldwell broke up the touchdown march when he recovered a fumble. The ball went over and Burke made 6 for the

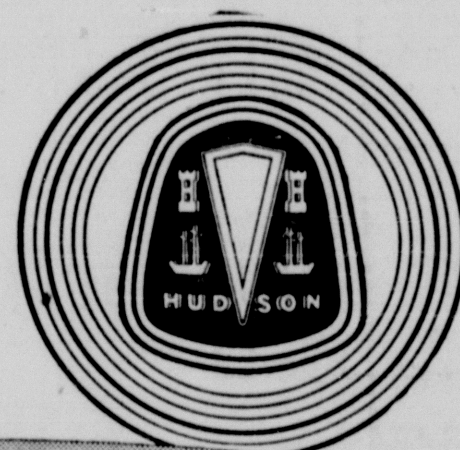

Yoemen. There was a fumble but Cameron retained possession. Uniforms were so smudged it was difficult to trace the line play. Burke lost 3 and Joe Hawkins came in to do the booting. He kicked out on the Fredericksburg 44. Tanner's pass to Dietrich was no good, Gordon Gibson breaking it up. Tanner found Dietrich for 6 and then Tanner's pass was good for 20. Dietrich ran the ball to the 12 and Tanner made it first down on the Cameron 8. The Cameron line rose up magnificently as Tanner could get but one yard, then he lost 3. It was fourth down and the ball went over as the game ended. Final score Cameron 33, Fredericksburg 6.

THE CAMERON THEATRE
SUNDAY AND MONDAY, DECEMBER 14 and 15

Here Today...

This time it's Hudson

the car they said was years away!

This is your day! Set the time; see the car you've been told was years away!

A style-setting beauty, with a sparkling and massive front grille. A car that is only five feet high, and with the lowest center of gravity you've ever known, but with a new, all steel Monobilt body-and-frame that gives you more inside head room than any other car built today.

A car with the roomiest seats ever built into any American-made automobile.

A car you step down into when entering, not up on — yet a car that maintains road clearance! A car that cradles you not only between axles, but ahead of the rear wheels.

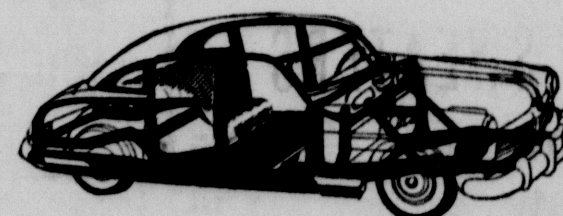

All of this is made possible by a basic new development in motor car design—Hudson's

Monobilt body-and-frame, shown in phantom view and described to the right.

The Hudson dealers listed here are ready with information about Hudson's all-new Super-Six engine — the most powerful six built today — and Hudson's masterful Super-Eight. They will tell you about Hudson's exclusive Drive-Master — no clutch pushing, no gear shifting in forward speeds.

See Hudson's gorgeously upholstered interiors, with chrome handles and hardware recessed into side panels, out of the way. Examine all of Hudson's new beauty, comfort and convenience features, including a new type of low-pressure, Super-Cushion tire that mounts on a new, wide safety rim. See how Hudson's wide, curved windshield and rear window give added vision all around.

Get a good look at this new kind of car — a type of automobile no one else in the world is prepared to build today! It's something to see — the nearest Hudson dealer will show it to you now!

A CAR YOU RIDE IN . . . NOT ON!

Hudson is the only motor car that completely encircles you, even outside the rear wheels, with a rigid box-steel foundation frame. You ride within this new construction, instead of on top of it as in other cars. And every unit of Hudson's new, all steel Monobilt body-and-frame is welded into one solid structure that provides unusual rigidity and stability.

RELIEF

The United States already has extended post-war assistance to foreign countries totaling \$16,250,000,000, exclusive of anything which may be done under the Marshall Plan, according to a compilation based on figures from the Bureau of the Budget. Senator Harry S. Byrd, Democrat of Virginia, in commenting on the report, pointed out that, in addition to the recroded total, this country also has extended another "\$3,000,000,000 or more in unrecorded relief and aid difficult to calculate." Thus, he estimated that the over-all figure, either expended or authorized to date, reaches a level between 19 and 20 billion dollars.

Ray Martin of Houston is visiting friends and relatives in Cameron for a few days this week.

DISABLED CIVILIANS

The Federal Security Agency estimates that 60,000 men and women, disabled in civilian life, will be fully restored to self-supporting jobs in the current fiscal year of 1948. The Vocational Rehabilitation System, operated by State governments, with Federal aid, is caring for 36 per cent more persons this year than last.

Mrs. Myrtle Beaty Crane, formerly of Cameron, now living at Arkansas City, Kansas, has concluded a week's visit here with old time friends, and while here was a house guest of Mrs. Homer McLane and husband. Mrs. Crane for a number of years lived with her late parents in Cameron, and has many friends here.

Mrs. E. L. Peed of Route 3, Cameron is a surgery patient in Newton Memorial Hospital.

BURLINGTON REPORTS STORE ENTERED THERE

Three burglaries, one at Burlington, Rosebud and Lott, were reported early Thursday to Sheriff Carl C. Black, who made an investigation at Burlington and was assisting fingerprint men from Austin.

Mr. Black was out of the city all the forenoon and could not be contacted for details.

It was not learned which of the several stores in Burlington was burglarized but it is the second such offense there in recent weeks. The Planters National National Bank was robbed in Rosebud recently. All three burglaries reported Thursday are understood to have been mercantile establishments.

Officers here said that it was very probable that all three burglaries were committed by the same set of thieves.

The Delphian Club met in the home of Mrs. M. G. Cox with Mrs. Frank Lesovsky as co-hostess with Miss Mildred Thornton. A lovely program was enjoyed by those present, and later the hostesses served a dainty refreshment plate.

Mr. and Mrs. M. C. Fisher and children of Lampasas spent the week end in Cameron with Mrs. Fisher's parents, Mr. and Mrs. John Tindall and other relatives.

H. L. Atkinson of Maysfield celebrated Thanksgiving with a dinner at his home. The following were guests: Mr. and Mrs. E. W. Atkinson, Miss Emma Lue Atkinson, Mrs. Emma Spann of Dallas, Miss Mary Virginia Atkinson of Huntsville, and Mr. and Mrs. Haywood Clemons of San Antonio.

UCIM

Interested in your Christmas gift that you may buy something that will be useful. A nice Bill Fold or a fine pair of gloves. We have a fine assortment for you to select from. Belts \$1.00 to \$3.50, Bill Folds from 60c to \$10.00.

UCIM

Thinking you might wish to surprise some of your loved ones with a fine piece of luggage \$5.50 to \$30.00, or a fine Brief Case or an office Portfolio don't wait too long, but pick your choice now.

UCIM

Able to supply you with a fine lariat or riding bridle. We have them as low as \$2.75 to \$10.00, or a fine saddle blanket priced from \$1.60 to \$6.50. So come by and let us lay aside for you "your choice" for Christmas.

UCIM

Also thinking about that new saddle you have been thinking and talking about. So don't forget we have an assortment from \$35.00 to \$135.00, or a pair of fine spurs, a girth, a quirt, riding brest collar, and Martingale are constantly wanted by our Stockmen.

UCIM

Aware you are getting ready for farm equipment. We have plow collars from \$1.90 to \$3.50 and Leather Collars from \$3.50 to \$7.50, team bridles from \$1.80 to \$3.25, chains, Back Bands and such as belongs to farm equipment. An inch and 1 8 by 18 ft. check line for \$8.75. When no doubt you have seen them advertised for \$2.00 or more.

UCIM

Also anxious to see that you keep your feet dry, when the damp and cold winter weather sets in, so remember us, when in need of shoes work. Half or whole soles, rubber or leather heels, what ever repairs are needed.

UCIM

Interested in farm and stockman supplies, and wish when convenient to you "come by and investigate."

U. S. AIR FORCE

The United States Air Force has revealed plans to triple its pilot-training program, under which the number of aviation cadets will be increased from 1,000 to at least 3,000 during 1948. By the middle of next year, the Air Force said, it will have 55 "fully-manned, ready to fight groups" and fifteen others organized on a skeleton basis, capable of quick expansion in the event of emergency.

Cameron, Texas

HORSTMANN BROS. ARE SHOWING NEW HUDSON

The new Hudson has been enthusiastically received by the Hudson dealers who have previewed it, reports Mr. O. B. Horstmann of Horstmann Bros., Hudson dealer for Cameron and vicinity who returned from Ft. Worth where he attended a closed showing for Hudson dealers.

"Production of the new Hudsons is steadily increasing at the Hudson Motor Car Company's plants in Detroit," Mr. Horstmann said.

The public showing and announcement of this entirely new automobile will take place in Cameron and vicinity as soon as all of Hudson's 3,000 distributors and dealers have received their display cars, Mr. Horstmann said. At that time the full story of the new Hudson will be told.

For the information of the public a new Hudson is now on display at the show room of Horstmann Bros. in Cameron and is attracting wide attention.

"The new Hudson was made possible as the result of recognition by Hudson engineers of the fact that, if the American-made car is to give its owner the beauty and stability advantages found in low-built automobiles, and still maintain interior comfort and headroom, a wholly new approach would have to be devised, tested, proved and put into mass production," Mr. Horstmann said.

He listed the following as significant developments:
"The new Hudson has a lower center of gravity than any other American automobile.

"It is only five feet from the ground to its top.

"It provides more headroom than any other mass-produced automobile.

"It is a car which upon entering, you step down into, not up on.

"It has the roomiest seats.

"It really cradles passengers between the axles.

"Passengers in the new Hudson sit down within the foundation frame members cradled between the axles and completely ahead of the rear wheels," Mr. Horstmann pointed out.

"This, together with the car's low center of gravity, and unusually rigid construction, contributes to an easy gliding ride heretofore never experienced in motoring."

The new Hudson, Mr. Horstmann added will be powered by a new Super-Six engine, the most powerful six cylinder engine built today, and an improved Super-Eight Engine.

Mr. Horstmann said that because the new Hudson is so different from any car ever mass-produced, change-over problems were greatly multiplied, but despite this fact only a few weeks elapsed between the time the last 1947 model was built until the first new Hudson rolled off the final assembly line.

"Because of the unusual and advanced design and construction of the new Hudson," Mr. Horstmann said,

"an entirely new manufacturing approach was developed. This required the scrapping of many assembly line techniques as we have known them in the automobile industry."

"U. R. Stung" Gives Checks Here; Passes One At Toddle Inn

This will introduce "Mr. U. R. Stung" currently patronizing Cameron business firms, so the story goes.

He passed a five dollar check at the Toddle Inn on Roy Vaughan late Monday. When Mr. Vaughan discovered the check in the cash register, he just smiled but laid down some rigid rules on check cashing in the future.

Mr. Stung is both frank and discreet as small swindlers rarely get a man on the state's menu at Huntsville.

ALMOST

In Russia and such countries the average man has few luxuries. In rich America, contrariwise, almost everyone has seen a new car.—Kansas City Star.

Three cities in Mississippi have a population composed entirely of Negroes.

"My favorite flour is AMERICAN MAID because it's fine-milled, energy-rich, and pure. It gives me light, fine textured cakes, melt-in-your-mouth biscuits, and tender, flaky pie crusts everytime!"

MEXIA IN REGIONAL CAMERON WILL PLAY

The Cameron Yocemen, District and Bi-District champions, will play Coach Carrol Wood's Mexia team in the regional.

Mexia defeated McGregor Friday night 26 to 6 running wild in the last quarter. The score was 7 to 6 at the half in favor of Mexia.

While Mexia was winning their bi-district Cameron was beating Fredericksburg 33 to 6 to win here.

Superintendent W. T. Hanes said early Friday that the committee from Cameron and the Mexia representatives were meeting in Marlin at 10

o'clock to decide on the site and arrange the details for the Regional title game.

Some hope was expressed that Temple might be picked. That city was bidding for the game. It was in Temple on December 13 of 1946 that the Yocemen lost to Mart 34 to 0 in the Regional.

SOLVENT

A white-collar worker may be considered solvent if his creditors allow him to handle his money on its way from the pay window to them.—Kansas City Star.

Mr. and Mrs. Chester Montgomery from Sinton visited Mr. and Mrs. Leland Green Sr. Saturday.

NONE

From Pennsylvania yeggs who put in a night cracking an empty safe, there is no relief as far as our reading goes, in the Taft-Hartley labor bill.—Richmond Times-Dispatch.

Miss Ruth Reichert who is employed with the State Board of Education in Austin spent the week end in Cameron with her parents and friends.

Mr. and Mrs. V. J. Mayer of Route 1, Cameron have announced the arrival of an eight pound, thirteen ounce daughter, born at Newton Memorial Hospital, December 7, 1947. She has not been named.

5 POWERFUL REASONS WHY IT PAYS TO

Make it a...
MASSEY-HARRIS!

5 NEW TRACTORS... A SIZE TO FIT YOUR FARM!

Model "20"—Light 2-Plow

Powered right for the family-size farm the Massey-Harris "20" is big enough to walk away with your light-2-plow jobs... small enough to hold your power costs at a practical minimum. High compression, 12 $\frac{1}{2}$ cubic inch engine delivers power to pull two 14" bottoms under average conditions plus a 15% power bonus for your belt work. New crop and standard tread models.

Model "30"—Full 2-Plow

Full 2-plow power... top efficiency... peak performance with reserve power for the toughest going—these are the profit-building advantages you'll enjoy when you put the new "30" to work on your farm. Self-starter, fingertip steering, and the new "Velvet-Ride" seat are but a few of many modern tractor features for easier operation. Streamlined styling and a full line of available attachments make the "30" a "natural" for fast, efficient work in row crops. Five-speed transmission provides a practical speed for every job!

Model "44"—3-Plow... 4-Cylinder Engine

New all the way through, the rugged 3-plow "44," like other Massey-Harris tractors, has a great capacity for work. Thoroughly tested on farms like yours, with accurate checks on performance, the "44" has proved itself a champion in all kinds of field and belt work. For the farmer who needs 3-plow power, with 4-cylinder economy, the new "44" steps in to meet your requirements and more! Five-speed transmission gives you a wide range of field speeds and a time-saving speed for hauling.

Model "44-6"—3-Plow... 6-cylinder Model

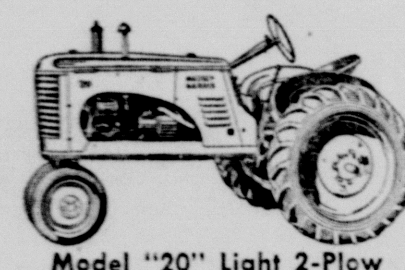

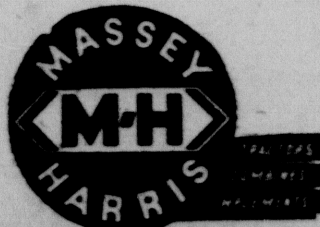

Same power class as the "44," the new "44-6" is made-to-order for the man who wants 3-plow power with 6-cylinder smoothness. The 44-6 is powered by the same L-head industrial type engine as was formerly used in the famous "101" Senior... delivers ready, dependable 3-plow power at the drawbar—plus a power bonus for your belt work. You'll especially appreciate the steady, smooth power for your power-take-off jobs. Husky 5-speed transmission speeds up every operation.

Model 55—Husky 4-5 Plow Power

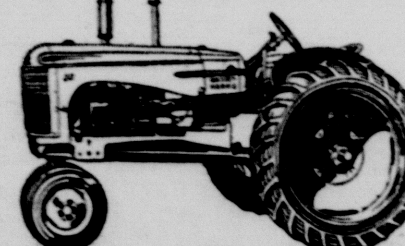

Your heaviest 4-5 plow work won't bluff the rugged "55"... it's built from hood-to-hitch to handle big jobs. Four-cylinder, vertical type engine has a 4 $\frac{1}{2}$ " bore, 6" stroke... with 382 cubic inch displacement. Here's 4-5 plow power at its economical best... with 15% reserve power always ready to meet extremely difficult conditions. Yet, in spite of its size and power, the "55" handles easily... rides comfortably... has the same convenience features and money-saving advantages common to all Massey-Harris tractors. Maintenance costs are surprisingly low!

We Had \$2800 Gate At Bi-District Game; We Net Over \$900

The gate at the Bi-District game Friday night grossed around \$2800 it was disclosed by Superintendent W. T. Hanes.

Cameron netting something over \$900 when all deductions are made, some \$400 being for Federal taxes.

Fredericksburg netted the same amount, plus allowances for expenses over here.

The crowd was estimated at from 3500 to 4000 people, some short of expectations.

No Tickets Will Be Sold Over Telephone; Window At 8 Wednes.

Football fans who are going to buy tickets to the Regional football game in Temple Friday night, should bear in mind that no tickets will be sold over the telephone and no tickets will be reserved by phone.

The only way you can get a ticket is to go to the booth in the lobby of the Cameron Theatre in person and lay down the money or check and pick your seat.

Tickets for the game will go on sale at 8 a. m. Wednesday.

From where I sit ... by Joe Marsh

"Turrible, Turrible, Turrible!"

Ben Ryder is back! After twenty years in Capital City, Ben has retired and come to enjoy life in the family house on Maple Street.

First thing Ben does is write us complaining how Our Town has changed. "Why, there's no mud in the streets to sink up to your ankles in!" he says. "No pistol feuding in the town square! No moonshine liquor or Saturday night brawls! Nothing to do but settle for a temperate glass of beer in a law-abiding tavern!"

"Turrible, turrible, turrible," Ben

says, "how a town can get run down in twenty years!" And then Ben takes his tongue out of his cheek and tells us how proud he is of the orderly, law-abiding atmosphere he finds here.

And from where I sit, you can point to that growing preference for a moderate, wholesome glass of beer as one reason folks in Our Town are so temperate, and neighborly and well-behaved.

Joe Marsh

Thrift Gardens Cut Food Bills

Millions of Families Raise Their Own Vegetables to Offset High Costs.

NEW YORK. — By raising their own vegetables, between 16 and 18 million families in the United States have cut down high food bills. The victory garden of the war years has reverted to a thrift garden.

The president of a large seed house estimates that as a result the average family has saved from \$50 to \$200 on their food bill this season. "The consumer really started the present drive as a check on the high cost of living," said Rodney H. Brandon, president of National Garden institute, sponsor of a thrift garden movement begun last spring.

Just how much home gardeners will produce this season has not yet been determined, but a department of agriculture spokesman said the garden total is around 75 to 80 per cent of the wartime peak.

At that time, victory gardeners raised eight to nine million tons of foodstuffs, or more than 40 per cent of the entire U. S. vegetable production.

"It has not been a good garden year in some areas of the country, because of the wet spring, followed by drouth so yields may not be as great as anticipated," said H. W. Hochbaum, chief of the division of field coordination extension service of the department of agriculture.

A recent report of the garden institute, however, had a more optimistic view.

"Home gardens are paying off even better than last year, despite the unfavorable season, is the verdict of families that have them," the institute said. "Conditions vary according to region and locality, but most reports are favorable."

Seed Sales Go Up.

James H. Burdett of National Garden bureau recently told the American Seed Trade association that the peak of garden seed sales was reached in 1943, after which there was a falling off, to a point in 1946 where sales were 400 per cent higher than in 1939.

"The 1947 sales were 10 per cent greater than a year ago," Burdett stated. The department of agriculture said its reports from seedsmen indicated seed sales are up about 5 per cent over 1946.

"Most of the home gardeners will can more this year than they have before," said John Fieseler, president of Peter Henderson company seed house. One reason for that is said to be the greater availability of canning and freezing equipment.

Besides home gardens, the garden institute said, more than 40 per cent of companies which had employee gardens during the war are continuing them.

Army Buries 'Live' Bombs, Storage Space Running Low

WASHINGTON. — The army, hard-pressed for magazines in which to store its big stock of bombs, now is burying "live" missiles in the ground.

It disclosed that at one of the new projects, the Savanna ordnance depot in northwestern Illinois, about 250 tons of bombs is being planted in pits.

The conventional method has been to use igloo-shaped magazines, specially built, for keeping bombs but, said the army, "there are now too few magazines and little likelihood of construction of new ones."

Under the new plan, outside parts and shipping bands are removed from the bombs and the cases, with the explosive charge intact, are treated with a preservative. The bombs then are stacked in a pit, covered with earth and the covering of the excavation coated with waterproof "blacktop" like that used on roadways.

Stock of Food Is at High In German-American Zone

BERLIN. — Accelerated bread grain shipments from the United States have brought food stocks in the combined British - American zones of Germany to an occupation high and permitted issuance of the full bread ration to the civilian population, the American military government reported.

In the first three weeks of September approximately 366,000 tons of American bread grains arrived in Germany valued at 40.5 million dollars. In addition, the U. S. and British military governments imported other foodstuffs valued at \$400,000 to feed the Germans. The cost of these imports is borne equally by American and British taxpayers.

Refugees From Eastern Germany Will Get Land

WIESBADEN, GERMANY. — Under its land reform program, the state of Hesse recently turned over 5,000 acres of arable land to 100,000 refugees from eastern Germany.

The two-year land reform program calls for distribution of 30,000 acres of arable land among 400,000 refugees, expellees and other landless Germans.

The land will come from expropriated Nazis, former Wehrmacht or community properties, or very large estates.

MRS. J. M. LOVELACE DIED AT SAN GABRIEL

Mrs. J. M. Lovelace, 73 died at the family home in San Gabriel on Wednesday, November 19, 1947, after an illness of eleven months.

Mrs. Lovelace, the former Alice Dotson was born in Arkansas in 1874 and lived most of her life in Milam county. She united with the Baptist Church at the age of 15. She was married to Jim M. Lovelace on March 2, 1890, who preceded her in death.

Funeral services were held at the San Gabriel Baptist Church, at 3:00 p. m. November 20, with Rev. W. E. Ruchti, pastor officiating. Phillips & Luckey of Rockdale directed the arrangements, with burial in the Locklin cemetery.

Among Mrs. Lovelace's survivors are four sons; Willie B. Lovelace of Waco, Monroe Lovelace of Austin, Clyde Lovelace of Rockdale and Howard Lovelace of San Gabriel. Three daughters: Mrs. Jess Wilson of Robstown, Mrs. Lois Nutt and Mrs. Betty Harrison of San Gabriel. She is also survived by one sister of Austin and a brother, W. R. Dotson of Killean and a number of grand children survive.

The jury commissioners for November term of court to select grand petit jurors for the January term 1948 composed of Monroe White of Cameron, A. H. Avritt of Rockdale and Sidney Culp of Buckholts met Tuesday to complete their labor.

Fireworks In Fire Limits Prohibited

Shooting fireworks in the fire limits is against the law and City Marshal Jim McGoldrick has issued an official notice that he will enforce the ordinance.

The city government years ago as a fire protection measure, passed the ordinance prohibiting anyone from shooting fireworks in the city limits. Notice is issued each year at this season.

Mr. McGoldrick hopes it will not be necessary to file a case against anyone but he will be firm.

War veterans are not pleased with these explosions. They want to forget the noises of battle, so let's help them. If you must shoot fireworks take them home and out of the fire limits. Do not explode them in the business areas.

Mr. and Mrs. W. B. Townsend of Corpus Christi are visiting their daughter, Mrs. Burford Offield and family. They will also visit other relatives before returning to their home after the Christmas holidays.

A. J. Vollmer of Venezuela and P. H. Holland of Austin were business visitors in Cameron recently. Mr. Holland is a water observer out of Austin and was accompanied here by Mr. Vollmer.

Milano Boy, Veteran Of Late War, Serves In The Philippines

Technician Fifth Grade James M. Lewis, Jr., son of Mr. and Mrs. A. Lewis, of Milano who has recently arrived in the Philippines is now assigned with Headquarters, Camp Rizal Motor Pool in Manila.

In active service since February 12, 1942, T-5 Lewis has served in England, France, Belgium, and Germany. He has been awarded the Purple Heart, Good Conduct, American Defense, World War II Victory Medals, and five battle stars on the European Theater of Operations Ribbon.

Mr. and Mrs. Homer Plentl and infant daughter of Camp Hood visited his mother, Mrs. G. A. Plentl over the week end in Cameron.

James M. Terry, Jr. And Florine Harper Are Married In Waco

In a ceremony performed Wednesday at 6:00 p. m. at the North Waco Baptist Church, Miss Florine Harper became the bride of James M. Terry, Jr., Rev. Frank Newman officiated.

A program of musical music was given by Miss Cora Williams, soloist, and Miss Evelyn Daniel, organist.

The bride given in marriage by her father wore a gray tropical cloth suit with brown stripes and a brown hat. She carried a bouquet of gardenias and bouvardia. Miss Peggy Schneider of Beenhaim, maid of honor, wore a light brown suit, dark brown accessories and carried a bouquet of pink chrysanthemums.

The bridesmaids, Misses Martha Lundsted and Patsy Eskew, wore dark brown suits, brown accessories and carried bouquets of pink chrysanthemums. Ray Young of Cameron attended the bridegroom as best man. Billy Black of Cameron and Jack Prescott served as ushers.

Mrs. Harper, mother of the bride was dressed in brown crepe with matching accessories and a white carnation corsage. The groom's mother wore a black suit with a dainty white blouse, black accessories and a corsage of white carnations.

After the ceremony a reception was held at the home of the bride's parents, Mr. and Mrs. W. M. Harper, 2014 North Twenty Seventh Street. The centerpiece for the bride's table was an arrangement of white chrysanthemums in a white satin wedding ring. The three tiered wedding cake was served by Miss Joyce Morris and Miss Lajuana Davis was at the punch bowl. Miss Rowena Kays presided at the guest book.

When they return from a short wedding trip Mr. and Mrs. Terry will reside in one of the Baylor homesites while they continue their studies at Baylor. The bride is a graduate of Beenhaim High School and her husband was graduated from Yoe High School in Cameron. He served two years in the army air corps and was parented. Mr. and Mrs. James Marstoned in Japan for one year. His shall Terry of Cameron, were present for the ceremony. Other out-of-town guests were Mrs. S. P. Keaton, Mrs. Homer Keaton, Mrs. G. A. Seago, Mr. and Mrs. A. G. Evans, all of Temple; Mrs. A. DeCrawls and Miss Margaret Keaton of Dallas; Mr. and Mrs. Fred A. Lange and Freddy Lange of Houston and Mr. and Mrs. B. E. Kossibel of Caldwell.

Mrs. L. C. Angell Is Hostess to Happy Time Club Tuesday

Mrs. L. C. Angell was hostess to the newly organized Happy Time Club, at her home, Tuesday, November 25.

All members were present, with the exception of Mrs. Chas. Knipp. Visitors who attended were Mrs. Tommie Raney and Mrs. W. M. Price, Sr.

After enjoying several games of 42 refreshments of cake and coffee were served.

The next regular meeting will be at the home of Mrs. Jimmie Angell on December 4th.

ASSORTED HORS D'OEUVRES
Crisp stalks of celery filled with Roquefort and cream cheese paste; slices of firm ripe tomatoes with boneless sardines laid across them; assorted olives; lengthwise halves of hard-boiled eggs stuffed with deviled ham and sprinkled with chopped parsley; very small lettuce cups filled with highly seasoned potato granished with pimiento; pickled beet balls; pickled onions; triangles of Swiss or American cheese sprinkled with paprika.

From one pine tree 10,000,000 matches can be made.

Earl McFarlands Are Parents of Baby Son Born On December 6

Mr. and Mrs. Earl McFarland are the happy parents of a son born at St. Edwards Hospital, December 4, 1947. His name is Douglas Earl and weighed 8 1/2 pounds at birth.

Mrs. McFarland will be remembered as the former Helen Richards, daughter of Mrs. Annie Richards. The father is the son of Mrs. Minnie McFarland, and is a veteran of World War II, having served in the European Theatre of Operations. Mr. McFarland was wounded in action during a battle in Germany and was confined to a hospital in Belgium for

some time. He was awarded the Bronze Star for heroism in battle. He is now associated with the Armstrong Garage in Cameron.

L. A. Johns of West Columbia, Texas was in Cameron on business Thursday.

Mr. and Mrs. Joe Ullrich and baby visited his parents, Mr. and Mrs. A. U. Ullrich at Burlington recently.

Mr. and Mrs. Bunter Robinson of Galveston visited in the home of Mr. and Mrs. Claude Robinson Sunday.

Miss Helen Tomek Is Married to Jimmy Sims In Early Morning Ceremony at Marak Church on Saturday, November 29; Home Reception Follows

SS Cyril and Methodius Church at Marak was the scene of the wedding of Miss Helen Tomek, daughter of Mr. and Mrs. Frank Tomek, to Jimmy Sims, son of Mr. and Mrs. J. C. Sims of San Antonio.

Rev. Ben Holub officiated at the double ring ceremony, Saturday, November 29, 1947, at eight o'clock in the morning.

The couple pledged their vows before an altar arrangement of yellow and maroon mums.

Sister Peter played the wedding music.

The bride, given in marriage by her father wore a gown of slipper satin fashioned with moulded beque, lace yoke and a flying skirt which swept into a cathedral length train. A tiara of seed pearls held her full length veil of illusion and she carried a bouquet of white carnations showered with white satin streamers. She wore a double strand of pearls belonging to her sister, Mrs. James Coody, for something old she carried a handkerchief belonging to Mrs. J. F. Bartek and a penny in her shoe for luck.

Attending the bride as maid of honor was, Miss Inez McReynolds of San Antonio. She was gown in yellow satin with matching head-dress and carried a corsage of blue carnations resting on a prayer book with long satin streamers. Miss Dorothy Tomek attended her sister as bridesmaid and wore a gown of blue satin with matching head-dress and carried a yellow carnation corsage placed on a prayer book with satin streamers. Both attendants wore white gloves. Little Miss Jo Ann Coody, niece of the bride was train bearer and was dressed in soft pink net over satin and wore pink carnations in her hair.

The groom was attended by his brother, Jackie Sims of San Antonio. Harold Lee Comte of San Antonio was groomsmen.

The brides mother was dressed in blue, complimented by black accessories and a corsage of white carnations. The groom's mother wore maroon crepe with black accessories and a corsage of white carnations.

Following the wedding a reception honoring the wedding party was held at the home of the bride's parents. The bride's table was covered with white linen and was centered with an arrangement of white chrysanthemums, and held the tiered embossed wedding cake which was topped with a miniature bride and groom. Tall white tapers completed the table decorations. Yellow Mums were used for other decorations in the home.

The bride cut the cake and Mrs. Charlie Tomek did the serving with Miss McReynolds at the punch service.

Guests who attended the reception other than the parents were: Mr. and Mrs. E. H. Acords, Mrs. Rosa Chernosky, Jackie Sims, Inez McReynolds, Mr. and Mrs. Charlie Tomek, Mr. and Mrs. Jerry Zovodny, Mr. and Mrs. James Coody, Jo Ann Coody, Dorothy Tomek, Harold Lee Comte, Rosalie Tomek, Bobby Joe Coody, Lawrence Coody, John Tomek, Clem Tomek, Eugene Tomek, and Mrs. Lillie June.

Mrs. Sims is a graduate of Yoe High School and also a graduate of school of nursing in San Antonio.

The groom is a graduate of St. Henry's Academy in San Antonio. He is a veteran of World War II, having served 34 months in the Artillery.

For traveling the bride chose a green suit with brown accessories and a corsage of white carnations.

After a wedding trip Mr. and Mrs. Sims will be at home at 706 East Elmira, San Antonio.

St. Rita's Circle Meets December 3

Mrs. Walter Plocek and Mrs. Joe Michalka were co-hostess to the St. Rita Circle at the home of Mrs. Plocek Wednesday, December 3.

There were twenty members and two guests present. The guests were the daughters of Mrs. Plocek, Florence and Frances. In the absence of the president, Mrs. J. T. Parma, the vice president, Mrs. Frank Michalka, presided at the meeting.

Mrs. August Kunz gave a report on the call meeting that was held the past Monday. The following attended the meeting: Mrs. Leo Hollas, Mrs. Emil Boedeker, Mrs. Albert Mitchan and August Kunz.

The hostess served refreshments of delicious lemon pie and coffee. The next meeting will be at the home of Mrs. David Shapiro with Mrs. Leo Laake as co-hostess.

Lucille White spent Thanksgiving holidays with her sister and husband, Mr. and Mrs. Harold Hill in Houston.

Agnes Zarosky Married To Julius Tepera At Marak Church, Nov. 25

Miss Agnes Zarosky, daughter of Mr. and Mrs. Frank Zarosky, became the bride of Julius Tepera, son of Mrs. Frances Tepera and the late Louis Tepera of Marak, Tuesday November 25, 1947, at nine o'clock in the morning.

Rev. Ben Holub pastor read the double ring ceremony, at St. Cyril and Methodius Catholic Church, at Marak.

The bride wore a white satin wedding gown, fashioned with a sweetheart neckline, tight bodice, and full gathered skirt. Her veil of illusion fell from a tiara.

Bridesmaids were Miss Margaret Tepera dressed in a rose colored dress, Miss Otilia Kostroun dressed in light blue, Miss Frances Strmiska dressed in light blue and Miss Evelyn Zarosky dressed in rose.

Groomsmen were Edward Zarosky, brother of the bride, Frankie Tepera, brother of the groom, Frank Masar and Matt Zarosky. Junior bride and groom were Evelyn Dornalik and Frankie Marak.

Immediately following the ceremony a reception was held at the home of the bride's parents, where dinner was served to the families and Rev. Holub and Miss Terezie Picha. Others who attended the wedding were: Mr. and Mrs. Clem Zarosky, Mr. and Mrs. Matt Zarosky, Sr., and sons, Mr. and Mrs. Joe Zarosky and family, Mr. and Mrs. John Zarosky and daughters, Mrs. Kristina Tepera, Mr. and Mrs. Frank Masar, Mr. and Mrs. Frank Luskac, Fred Lazek, Sr., Fred Lazek, Jr., Aleck Lazek, Rudolph Marak, Mr. and Mrs. Robert Woems, Miss Barbara Jane Gurecky, Mr. and Mrs. V. L. Zaverel, Mr. and Mrs. L. E. Mraz and son, Stanley Vaculin, Miss Frank Tomek, Dorothy Tomek, Clem Tomek, Frankie and Mary Ann Ejem, Mr. and Mrs. John Dohnalik and family and Mrs. Frances Tepera all of Cameron. Mr. and Mrs. Rudolph Tepera and sons, Mrs. Frances Tepera and sons, Mr. and Mrs. John Marak, Sr., Mr. and Mrs. John Marak Jr., and family, Mrs. Josephine Dohnalik, Mr. and Mrs. Joe Dohnalik and family, Mr. and Mrs. Charlie Dohnalik and family, Misses Thresa and Stacy Barosh, Mr. and Mrs. Frank Dohnalik and son, Mr. and Mrs. Anton Mikula and daughter, Mr. and Mrs. R. W. Kostroun all of Marak, Mr. and Mrs. Charlie Provazek and sons and Joe Zavrel of Temple, Mr. and Mrs. Joe Strmiska, John Machacek, Tom Drazd, Frank Vrana, Edward Steffek and sister, Mr. and Mrs. Johnnie Bohac all of Granger, Mr. and Mrs. Will Tepera and daughter, Mr. and Mrs. John Brezina and sons, Mr. and Mrs. Steve Nemeec and family, Mr. and Mrs. Fred Nemeec and family, Mr. and Mrs. Frank Nemeec and family of Taft, Mr. and Mrs. Emil Nemeec and son, Mr. and Mrs. Henry Jurice and Edward Nemeec, of Corpus Christi, and Kay Braungel of Houston.

After an all day celebration a wedding dance was held at National Hall that night, with music furnished by the Granger Polka Time.

Marjorie Schelander And William Sweet Are Married Wednesday

Miss Marjorie Schelander, daughter of Mr. and Mrs. Charles Schelander became the bride of William Sweet, son of Mr. and Mrs. Sweet of Jones, Prairie at the Methodist parsonage Wednesday, November 26 at 8 p. m. with Rev. Lee Lemons conducting the services.

Miss Schelander was dressed in a grey traveling suit with rose accessories and a corsage of white gardenias.

The bride is a graduate of Yoe High School and formerly employed with the New Cameron Drug here. The groom is also a graduate of Yoe High School, and has served several years in the army. He is now attending school in Brownwood. Following the wedding the couple left for Brownwood where they will make their home.

ENGAGEMENT ANNOUNCED

Mr. and Mrs. August Knipp have announced the engagement and approaching marriage of their daughter, Eleanor to E. V. Blissard, Jr., son of Mr. and Mrs. E. V. Blissard, Sr., of Goosecreek, Texas.

The wedding will take place, December 28, 1947, at three o'clock in the afternoon, at First Presbyterian Church, Cameron.

Mr. and Mrs. H. E. Fuchs Observe Golden Wedding Anniversary

Mr. and Mrs. H. E. Fuchs observed their Golden Wedding Anniversary, December 2, at their home near Buckholts.

Fifty guests were present to enjoy the turkey dinner. The table covered with a linen cloth, had as a centerpiece a three tiered cake topped with a miniature bell and the number indicating their golden wedding anniversary.

Throughout the home golden mums and sprayed cedar were placed at points of interest.

The following guest were present: Mrs. A. J. Pick and Adolph, Mr. and Mrs. I. J. Baca, Mr. and Mrs. Edison Rachui and family, Mr. and Mrs. Adolph Fisher and family, Mr. and Mrs. Harold Denker, Mr. and Mrs. Alfred Pick, Mr. and Mrs. Bob Persky all of Rogers; Mr. and Mrs. Alvin Fuchs, Hugo Fuchs, Mr. and Mrs. Ernest Fuchs Jr., and family, Mr. and Mrs. Bill Lange and family. Rev. and Mrs. John Striepe and daughter, Mr. and Mrs. Paul Fuchs and Mrs. Dora Fuchs all of Buckholts. Out of town guests were Mr. and Mrs. Arnold Tannes and son of Dime Box, Mr. and Mrs. Robert Fuchs of Brenham, Mr. and Mrs. Henry Fuchs, Mr. and Mrs. Oscar Fiest of Carmine, Mr. and Mrs. John Fuchs of Band and Mr. and Mrs. Ed Fuchs of Burton, and Mr. and Mrs. Lee Nauman of Temple.

Following the dinner Rev. John Striepe, pastor of The Hope Lutheran church of Buckholts gave a brief address to the couple and their guests. Immediately after the address the many beautiful gifts were displayed.

Betty Sue Hairston Finishes At Durham's

Miss Betty Sue Hairston, graduate of Yoe High school in the class of '47, received her diploma, Tuesday, November 25, from Durham's Business College in Austin.

Miss Hairston entered Durham's College, June 9 and completed her Executive Secretarial course in six months with an "A" average. She is the daughter of Mr. and Mrs. Orville Hairston of this city.

Business Women Plan Christmas Banquet Here

Regular meeting of the Business and Professional Women's club was held Tuesday evening, with the president, Mrs. Edith Starnes presiding at the business session and plans for the Christmas banquet were completed. A chicken dinner will be served to members and guests, after which the reception room will be the scene of a Christmas tree and presents for all.

A social hour including different games will be enjoyed.

Mrs. Bonnie Donovan was hostess at the meeting Tuesday evening and served a dainty refreshment plate with hot tea and coffee.

The next meeting will be held December 18.

Baptist Workers To Meet At Mt. Zion Church December 8

The Milan County Baptist Workers Conference will convene with the Mt. Zion Baptist Church near Rockdale on Monday, December 8, at 10:00 a. m.

The theme of the program will be, "God's Christmas Gift To Us" H. F. Schulz of Burlington will open the meeting.

At 10:20 Rev. R. G. Callmer will speak on "The Attitude Of The Giver". Other speakers will include, Rev. Frank Tulloch of Rockdale, Rev. Shirl Davidson of Battetown Baptist Church, Rev. Lemuel Hall of Belton, and Rev. Liner of Buckholts.

Lunch will be served by the ladies of Mt. Zion church. Rev. E. A. Moser will be host pastor.

This will be the last conference for the year 1947, and all twenty-three Baptist Churches in the association are expected to attend.

Mrs. C. M. Beacham Is Hostess At Dinner For Fisher Cousins

R. H. Fisher and Jim Fisher, cousins were honored on their birthdays, Sunday, December 7, 1947, at the home of R. H. Fisher's daughter, Mrs. C. M. Beacham with a birthday dinner.

Mrs. Beacham's father was 82 and

THE CAMERON HERALD

DECEMBER 11, 1947

Jim Fisher was 72 years of age.

A large white birthday cake decorated in blue, with 82 white candles graced the table.

Dinner guests other than the honorees were: Mr. and Mrs. Ed Black, W. O. Fisher and daughter, Miss Vera Fisher, Mrs. Jim Fisher, Mrs. Gertrude Pate of Arizona, and Mrs. Homer Neighbors.

Domino games were enjoyed during the afternoon.

Mr. and Mrs. R. H. Fisher are making their home with their daughter, Mrs. C. M. Beacham, and her mother will observe her 80th birthday on February 26 of next year.

Minerva Couple Celebrate Golden Wedding December 1

On Monday evening of this week, December 1, Mr. and Mrs. J. C. Wallace celebrated their Golden Wedding Anniversary at their home in Minerva by inviting a number of close relatives to a dinner.

A bit of sentiment attached to the affair was that Miss Jennie Cone, a sister of Mrs. Wallace, supervised the preparation of the perfect meal and other details. White chrysanthemums and talisman roses in gold containers accented the anniversary theme in the large living room.

The dinner table was centered with an arrangement of large golden chrysanthemums. Seated at the board were the host and hostess and Mr. and Mrs. W. C. Wallace and son, Mr. and Mrs. Dan Collins, Mr. and Mrs. E. C. Cole of Cameron, Mrs. Robert Isaacs of Georgetown, Mrs. N. M. Bullock of Rockdale and Miss Jennie Cone of Minerva. Rev. and Mrs. T. Miller Smith were guests in the home during the evening.

Numerous and lovely gifts were received by the celebrants, as well as messages of congratulations.

Mr. and Mrs. Wallace stood in the little Methodist church at Minerva fifty years ago, December 1, 1897, to pledge their troth with Rev. S. P. Brown officiating, the same church that her father had served faithfully for many years, as well as her mother who was active in church work.

A memorial window will be placed in the church, presented by Mr. and Mrs. Wallace on their Golden Wed-

ding Anniversary, as a memorial to Mr. and Mrs. W. O. Cone, parents of Mrs. Wallace. The late Mr. Cone was the first Sunday school superintendent in the Minerva Methodist Church.

Mr. Wallace was a Rockdale boy, coming there in 1887. Mrs. Wallace was reared on a farm between Rockdale and Minerva. They received their schooling in Rockdale in the days when the building was known as "The College". All their married life has been spent in Minerva, and Rockdale has been like a home too. The little town of Minerva was named for Mrs. Wallace's grandmother, Mrs. Minerva Sanders. The townsite was given by she and Mrs. Dosia Smith.

Mr. and Mrs. Wallace have resided on the same location since their marriage fifty years ago but recently their bridal cottage was replaced by a large and most modern home. The spacious grounds and shade trees make the place an asset to any location. This home has always been a happy and favorite place for numerous nieces and other relatives to visit and call it home.

Mrs. Jesse Brock Is Hostess to UDC Here

Mrs. Jesse Brock was hostess to the UDC at her home Wednesday afternoon. Roses and chrysanthemums decorated the rooms of the home.

Mrs. Emma Langdon gave a Christmas story for the program.

Members brought gifts scraps and candy bars to send to the women in the confederate home for Christmas.

A salad course, cookies, mints and punch were served to the members present.

Surgery Technique Will Aid Amputees

Severed Limbs Are Restored by
Use of Refrigeration.

CHICAGO. — It now may be possible to sew back in place a severed arm or leg and have it grow in place, restoring its normal functions through a newly developed technique, Dr. L. W. Crossman, attending surgeon at the New York City hospital, said in a paper read before the 12th annual assembly of the U. S. chapter of the International College of Surgeons. The paper was read by an associate, Dr. J. M. Armengal.

The new technique involves use of refrigeration, and such experiments have proved successful with human fingers and with whole legs of dogs, Dr. Crossman said. He said surgeons had "amputated the legs of dogs, placed the legs in an ice box for 24 hours, and then were able to replace the limbs and have them heal to recover the full use of the part."

"We think this is possible with humans under ideal circumstances," he said, "and by a thoroughly trained team of not only good surgeons, but also good blood vessel surgeons."

In refrigeration surgery, he said, a mangled or infected extremity is packed with ice and preserved as long as several weeks, or until the patient's condition is improved to the point where the member may be amputated or saved.

He said surgeons never should "remove a mangled extremity as an emergency operation," but should allow a patient to recover strength while the limb is encased in ice.

Duke's Loyalty to Wife

Wins Support of Public

LONDON. — The Duke of Windsor's unflinching loyalty to his American-born wife and his refusal to attend court functions without her are slowly winning him the support of the British public and some newspapers in the royal feud that has kept the Windsors in virtual exile for 10 years.

Because of the social ostracism which has barred the Baltimore-born divorcee from a place in British royal society, the duke refused to attend Queen Mother Mary's 80th birthday anniversary party. Considerable conjecture also surrounded the duke's invitation to the wedding of his favorite niece, Princess Elizabeth.

Crime Declines in Cities;

Up in Country Districts

WASHINGTON. — FBI Director J. Edgar Hoover said that crime was rising in rural areas but declining slightly in the city.

Reports for the first half of 1947 show an increase in rape in both rural and urban areas. The increase was more marked in rural districts, Hoover said. Murder was down in both town and country.

Hoover said reports to the FBI showed that crimes increased 7.5 per cent in rural areas during the first six months of this year over the same 1946 period. In urban areas, it was down 2.3 per cent.

Despite the decrease in urban areas, Hoover said the number of crimes in the first half of 1947 was 12 per cent greater than that in the first six months of 1941.

Both rape and larceny were up 13 per cent in rural areas, while in urban communities rape was up 3.5 per cent and larceny 1.1 per cent. Aggravated assaults increased an average of 2 per cent in both.

Murder declined 7.4 per cent in rural communities and 6.4 per cent in urban communities. Automobile thefts continued to decline, showing a 19 per cent decrease in rural and 22.3 per cent in urban areas.

Boy, 4, Girl, 3, Rescue Baby

From Their Burning Home

CINCINNATI. — A 14-month-old boy was carried from his crib to safety by an older brother and sister when fire broke out in the family home.

David Smith, 4, and his sister, Cindy, 3, carried their infant brother, Milford, into the back yard a few minutes before firemen arrived to extinguish a blaze that had started near the child's crib.

The children's mother, Mrs. Cecil Smith, was at a grocery at the time.

The fire, which caused \$1,000 damage, apparently was started by a spark from a cigarette lighter with which the children had been playing firemen said.

16 Per Cent Drop Reported

In Turkey Crop This Year

WASHINGTON. — The agriculture department estimates that approximately 35 million turkeys will be marketed this year, about 16 per cent under last year's crop.

Despite the expected drop, the department foresees no shortages of the birds. The new crop and supplies already in storage will be ample, says the department, to supply everybody with an average of 4.1 pounds. Consumption last year averaged 4.6 pounds and in prewar days 2.6 pounds.

The department has announced a new schedule of support prices for the current crop, continuing through January 31, 1949.

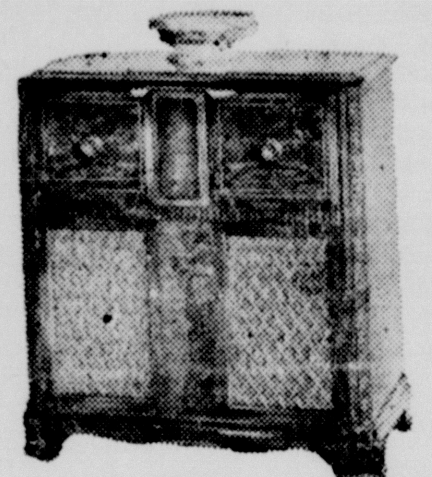

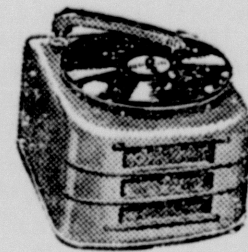

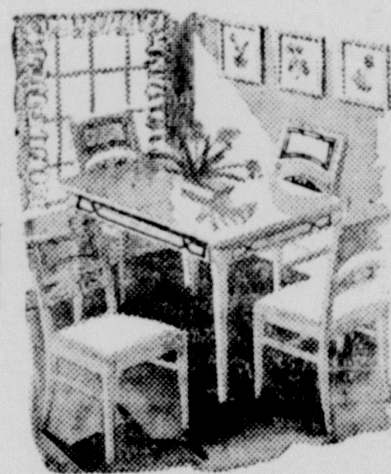

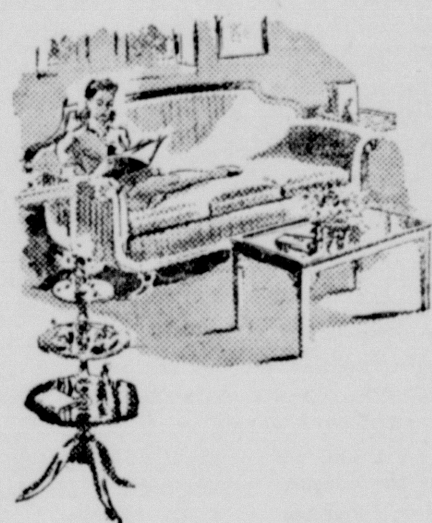

"When I Give Furniture Everybody is Pleased"

A hint from Santa is sufficient. Centuries of gift giving makes him the best authority on earth. You should see the fine furniture gifts we have. Suites, individual pieces so cozy up the Home this Christmas. We couldn't name everything we have in this one ad. You will have to come and see for yourself and you are Most WELCOME here at this big, friendly store.

FAVORITE Christmas TOYS

Nothing like occasional chairs to make a room doubly useful.

Everybody loves these Antique patterns and they are really fine. Moderately priced.

CULPEPPER'S HOME FURNISHINGS

RAIL COMMISSION IS WEIGHING APPLICATION

AUSTIN, Dec. 2—The Texas Railroad commission took up the application to discontinue the Waco to Yoakum passenger service of the T&NO railroad, but today it asked Attorney General Price Daniel for legal advice on the matter.

The three commissioners were unable to agree on the action needed in the case. One commissioner favored granting the railroad's request to drop the service, on the grounds that it is not making money. A second member favored refusing the request, on the ground that the railroad as a whole is making money, even if that train isn't. And the third member didn't want to make a decision without legal advice.

The question asked the attorney

general was whether a court decision is binding on the commission in its dealings with railroads. The decision is the Palacios decision of the Texas supreme court, which was to the effect that the commission must grant requests to drop trains which are not profitable.

Commissioner Olin Culberson argued that this decision would be reversed if it went to court again, and for that reason favored a refusal of the application. Chairman Ernest O. Thompson favored granting the railroad permission to abandon the train, and commissioner William J. Murrell Jr., the deciding member in view of the stands of the other two, decided to ask the attorney general's opinion. It is likely to be two or three weeks before the opinion will be returned from the attorney general's department.

Phone your news items to 282.

REGIONAL GAME WILL BE PLAYED IN TEMPLE

The Regional Championship game between Cameron and Mexia will be played in Temple, Friday night, December 12.

Morgan Layfield, principal of the Yoe High School, telephoned The Daily Herald at the conclusion of the meeting in Marlin shortly before noon to say that the game site had been decided upon.

Reserved seat tickets will sell for \$1.50 and general admission tickets will sell for \$1.00. Students will pay 30c provided they purchase tickets not later than Friday.

The game time is 7:45. Complete details will be published Monday for the benefit of Cameron fans.

Superintendent W. T. Hanes, Morgan Layfield and Coaches Leo Jackson and Dick Young were in Marlin for the conference.

HEAVY WEIGHT

Jeliet, Ill.—It took seventeen men, including ten policemen, to move Mrs. Elizabeth Ebner, 70, from her bed to a hospital. Mrs. Ebner, who weighs 700 pounds, has been bedridden for twenty years. A few days ago, she fell out of bed and broke her hip. Unable to place her in an ambulance the men placed her on a casket cart and took her to the hospital in a hearse. She was placed in two hospital beds, which had been bolstered up with lumber.

The Pony Express at one time charged \$5 for delivering a letter. A system of shorthand was in use as far back as 63 B. C.

Santa Claus Letters Wanted

The annual Christmas edition of the weekly Herald will be published on December 18 and will carry as usual letters to Santa Claus. Children of this area are urged to write them early and co-operation in the schools is sought again. The schools have been most helpful in getting these letters to the newspapers.

Remember, write the letters early for only a few days remain.

—THE PUBLISHERS

New Electron Gun Developed

Generates Cosmic Rays and Highest Voltage Ever Produced by Man.

PALO ALTO, CALIF. — A small atom smasher that will generate the first artificial cosmic rays and the highest charge of electricity ever produced by man was revealed at Stanford university.

The three-foot-long electron linear accelerator, a tiny cousin to the cyclotron, already has produced energies of more than 1,500,000 electron volts.

The new model may develop one billion electron volts—10 times as much energy as produced by any other atom-smasher. The model will be 200 feet long.

Initial successful experiments with the electron accelerator were disclosed by Dr. William W. Hansen, director of Stanford university's microwave laboratory and co-inventor of the Klystron, which was the heart of wartime radar.

Make Cosmic Rays.

Dr. Hansen said the pipe-like little accelerator would make cosmic rays — the mysterious light energy which bombards the earth from outer space — available in laboratories for the first time.

The secret of cosmic rays has been one of the great puzzles of science. At present, virtually the only way to study the rays has been in stratosphere airplanes equipped as flying laboratories.

With a ready source of cosmic rays available, Dr. Hansen said science now may learn many new "secrets" of the universe.

The accelerator also will offer another and cheaper means of gaining information about the make-up of the electron, which is one of the fundamental particles of matter. And it will produce radioactive isotopes similar to those now being made in atomic piles.

Simpler and Cheaper.

Atomic disintegration takes place in the accelerator when a speeding electron has been imparted tremendous energy by acceleration, then strikes an atom in its path.

The process is similar to the cyclotron, except that the atomic "bullet" is a different part of the atom and is shot in a straight line instead of being whirled in a circle in a magnetic field.

Dr. Hansen said his accelerator is much simpler and cheaper to build than the cyclotron or the synchrotron, another type of atom-smasher, and appears limited in the energy which it can produce only by the time, trouble and expense to build bigger accelerators.

The electron linear accelerator was constructed at Stanford under a contract with the office of naval research.

Ditches Boost Muskrat

Crop, Department Says

WASHINGTON. — Digging ditches in marshes — but not for drainage to fit the land for cultivation—may be the most profitable way of developing such wet lands, says the U. S. department of agriculture. The level ditches with no outlets make the water deeper in some places and shallower elsewhere. This has proved favorable for muskrats—particularly in cold climates where shallow water freezes solid. The deeper water in the ditches keeps muskrats and other marsh dwellers safe and well fed in cold weather.

A soil conservation service analysis of costs and profits of several muskrat marshes in Wisconsin ditched in this way by power machinery showed that muskrat production more than doubled. The soil removed from the ditches and piled on the banks provided good sites for muskrat dens. Trapping was easier and took less time.

Dutch Will Take Over Rule

In Java, Form Central Group

THE HAGUE, HOLLAND. — The Netherlands' government announced that the Dutch soon would take over all authority in the occupied areas of western and eastern Java.

The announcement said a central organization would be formed soon and would be developed into an interim federal government pending the drafting of a new constitution.

The three-member Dutch commission - general, which last year concluded an agreement with the Indonesia republic, will be abolished, but Acting Gov.-Gen. Hubertus J. Van Mook will be given additional assistance.

The government declaration was read before parliament.

Some Federal Employees

To Get Back Pay Boosts

WASHINGTON. — Back pay to all federal employees who were eligible but did not receive automatic promotions for efficiency since July 1, 1945, was authorized by the Civil Service commission.

The difference between salaries these employees would have received, had they been promoted, and the salaries actually received will amount to from \$100 to \$150 for each affected worker, a commission spokesman estimated. He could not say how many would be affected, but said there would be several thousand.

THE CAMERON HERALD

DECEMBER 11, 1947

Mr. and Mrs. Alex Triggs of Dallas spent the week end in Cameron with relatives and friends.

Commissioners Byron Neal of Rockdale and C. S. Raney of Buckholts were in Cameron recently.

Mrs. H. C. Tindall left Sunday for Houston where she will be with her son, Finley Tindall who will have an eye operation this week at the Memorial Hospital in Houston.

GIRL SCOUT LEADER TO ADDRESS ROTARIANS

(From the Daily)

Mrs. Opal Clifton, executive secretary of Texas, Colorado Lakes area, Girl Scouts from Austin, will be guest speaker at the Rotary Club luncheon, Wednesday, December 10. Members of the local Girl Scout Council have been invited to hear Mrs. Clifton.

On November 28, Mrs. Lester Williams, chairman of Leaders committee, local Girl Scouts, had a leaders meeting in her home, at 10:00 a. m. for the purpose of making plans for Girl Scout Christmas party. The following leaders were present: Mesdames David Shapiro, Lincoln Mondrik, Herbert Colburn, Wells Smith and Albert Collins.

The regular monthly meeting of Girl Scout Council was held in the District Court room, at 2:00 o'clock Wednesday, December 3.

Mrs. Stanley Swift, Commissioner opened the meeting. Those present were: Mesdames C. W. Bradbury, Lester Williams, Bill Burns, J. S. Hubert, John Henderson, and Rev. George Duda.

Mrs. Swift reported that Narvie Caperton has accepted the place as representative of Cameron Girl Scouts on Camp committee which meets regularly in Austin.

Plans were announced for Girl Scout Christmas party and is to be had December 13, at 2:00 o'clock at

Girl Scout Little House. Leaders will secure the tree and scouts in their troop meetings will make all decorations. Scouts will also have charge of refreshments and make all plans for the party. Children are to bring used clothing in good condition and canned goods wrapped as Christmas packages for the tree. The gifts and bundles will bring cheer to Cameron's needy, under the sponsorship of the Community Chest.

A new Girl Scout Troop was organized Thursday, December 4 for the seventh grade girls. The meeting was held in the Ada Henderson play room. Mrs. Hal White and Mrs. Dean White are leaders of this group.

House Plans Feature Offered Readers of The Daily Herald

By special arrangement house plans are being run as a feature in the Daily Herald.

Publishers plan to bring at least one a week of these very modern and economically priced homes. It is of especial interest to note that blue prints and plans for each of them can be had for \$5.00.

If you are planning a new home and many are, these plans are timely and the publishers feel you will be interested in them.

Mrs. Eula Harwell, who is employed with the Windfield Dry Goods Store here has been ill at her home this past week. She will be able to be at her work soon.

Modified Colonial House

This three bedroom home is a modified colonial design of red brick and stained cypress trim. The natural colors of all of the materials blend with the landscaping for a charming effect. The L-shaped plan provides a definite separation of the outdoor living and service yards and has been designed for flexibility of family living. The work center is handy to the bedrooms and entrances. Note the incinerator tucked away with the boiler behind the fireplace. It comprises 1300 square feet, excluding garage.

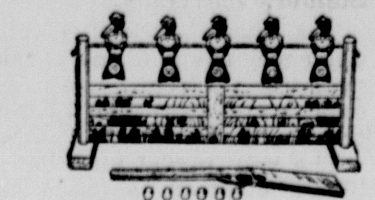

Dwelling shown above is a photograph of a scale model of a "cut-out" home which can be obtained from House Beautiful Magazine for \$2.00. The model is easily assembled, and gives the prospective home builder an actual model of the home he plans to build, complete with "cut-out" furniture.

By studying the scale model, the prospective builder is enabled to determine what changes he deems necessary before the house is actually built, thereby saving needless expense.

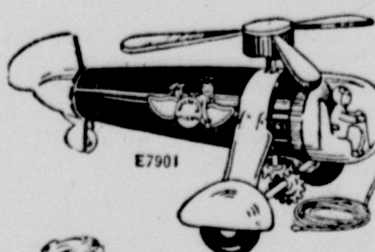

Blueprints and specifications of the dwelling shown above can be obtained for \$5 per set by writing House Beautiful Magazine, 572 Madison Avenue, New York City 22, New York.
